

South Breeze O Level

Salauddin Tauseef

Ambition: When I will be an economist, I will sincerely work to change the life of the poor and the downtrodden of my country.

Favourite quotation: "Be great in act as you have been in thought -- suit the action to the word and the word to the action." William Shakespeare

Mushfique Junayed Khurshid

Ambition: I am interested in Bio-medical Engineering, Astrophysics and Neuromedicine. I want to serve my country with expertise in any of these fields.

Favourite quotation: Honour is a rubber sword-it allows you to make a point without drawing blood.

Mirza Saquib-Us-Sarwar

Ambition: To be the topmost Architect in the world and develop the infrastructure of my country. I would not only devote my intellect to public services but would also run the leading consultancy firm on the planet.

Favourite quotation: "Where there is a will there is a way."

Tahsin Md. Taki Mazumdar

Ambition: I want to study Biochemistry in a reputed university, and then I want to be a pharmacist. I want to start my own business in Bangladesh and help my country develop a better future.

Favourite Quotation: Be honest and it will lead you to success.

Annan Bashir

Ambition: I want to be an economist and transform my nation.

Favourite quotation: "What's in a name? That which we call a rose by any other name would smell just as sweet."--

Ambareen Alam

Ambition: I have always wanted to be a doctor. It is a vocational job and needs dedication, patience, self-sacrifice and hard work.

Favourite quotation: Hard work is said to be the key ingredient to success but believe self-trust is also very important. Students should understand their potential and set up a reasonable target for them.

Khondkar Faiaz Hasan

Ambition: I want to go abroad after my "A" levels examination. I want to go to McGill University in Canada. There I want to study engineering. I might even study medicine if I get a good opportunity.

Favourite quotation: Never give up. Try until you die.

Irina Jawadurovna Wadud

Ambition: The only thing I can think of doing when I can contribute something to this world, is by doing something for the poor and the helpless. All of us are here in this earth for a particular reason, and I'm sure mine is to help those crying babies by the road side!

Favourite quotation: Life is short, treat each day like it's the last day of your life. Live life to its fullest.

Fariyah Hassan

Ambition: I want to dedicate my life to the underprivileged children who live amongst us. I strongly believe that if I can change the tearstricken face of even a single child to a smiling one, then I will consider myself to be most successful.

Favourite quotation: You live and learn at any rate you live Douglas Adams x

Zawad Hossain

Ambition: To overcome all the obstacles in life and after death.

Favourite quotation: "Verily, Allah has purchased of the believers their lives and their properties; for the price that theirs shall be the paradise. They fight in Allah's cause, so they kill (others) and are killed. It is a promise in truth which is binding on Him in the Taurat (Torah) and the Injeel (Gospel) and the Qur'an.

Sajib Mohammed Jafar

Ambition: After completing my higher studies, I would like to look for a job in the foreign service as a career diplomat.

Favourite Quotation: 'The reward of a thing well done is to have done it.'

Azfarul Islam

Ambition: I would like to help people by putting my technical skills and love of silence to good use by working in philanthropic organisations like the World Bank or Shell. I have always dreamed of loving the world and visiting exotic locations such as Japan, Tibet, Peru and even the Arabic! I wouldn't mind being a chef either!

Favourite quotation: Never give up hope !!

Md. Arif Ullah Oddyseus

Ambition: I want to become a doctor, a neurosurgeon to be exact. In that way I think that I would be able to help all those people, especially the poor who are suffering due to lack of proper medical attention.

Favourite quotation: Honesty, determination and ambition are the key towards success.

Rubayet Hamid

Ambition: I want to be one of the best economists.

Favourite Quotation: Allah only helps those who helps themselves.

Ahmed Raseen Ahsanullah

Ambition: Apart from building up a good academic career in chartered accountancy, there are a few other goals that I wish to fulfil. The first and foremost would be to bring half to this ever increasing terrorism for a better tomorrow. The last but not least will be to earn respect and honour from each and every person I come across not only as a fit personality but also in the shoes of a good singer and cricketer.

Ishraq Ahmed

Ambition: Everyone has an ambition and obviously I won't be any exception! I want to be an economist (a rich one) and serve my country, but, after completing my higher studies from abroad. I may go for Ph.D.

Favourite quotation: To be the best in my chosen field.

Muhtasabbib Rumman Matin

Ambition: I want to have a great positive influence on the lives of people.

Favourite quotation: Work keeps us from three evils. Boredom, vices and need. Voltaire

Ahmed Zulquarnaine

Ambition: I aspire to study medicine and become a pharmacist, and help invent cheap drugs for the major diseases that is killing the people of our society.

Favourite quotation: Man's main basic in life is to give birth to himself to become what he potentially is, the most important product of his effort is his personality. -- Eric Scromm

Rumana Rahman

Ambition: It has been my dream since childhood to become a doctor like my father. I want to study in one of the best universities in England and come back to Bangladesh to serve the people of my country.

Favourite quotation: Give your best to achieve the best.

Syed Deedar Ul Huq

Ambition: My greatest ambition in life is to be the kindest of person. But other than that, I have always wished to be an engineer (or a scientist, maybe!) when I grow up.

Favourite quotation: Life is too short, so no matter what happens or how busy you are, just try to enjoy it.

Jessica Quasem

Ambition: To be a doctor or an engineer, and probably discover and explore new arenas in medicine. I am also interested in astrophysics and nuclear physics.

Favourite quotation: Be focused, relaxed and concentrate on your work. "The world is a stage and all of us are actors."

Yeshim Iqbal

Ambition: I plan to become a doctor when I grow up, and I would love to be a writer, but I would be just as happy teaching in a small children's school. But most importantly, I want to be very happy in life and enjoy myself always.

Favourite quotation: "We are all of us stars, and we all deserve to

Adrita Rahman

Ambition: 'I want to be a biochemist and serve my country.

Favourite quotation: Try hard and you will succeed.'

Abu Obaida Mohammed Mushfeque-Un-Nabi

Ambition: I want to be a good human being.

Favourite quotation: As much as I learn, I should always remind myself, that I have actually learned nothing -- My grandfather.
