**Favourite quotation:** "The only good is knowledge and the only evil is ignorance"

### Maliha Bassam

**Ambition:** I want to do really well in my A-levels. My choice is literature and economics. For my country -- the greatest sacrifice I could make would be my life and if that's not necessary, anything else that is.  
**Favourite quotation:** Live like you would die tomorrow; learn like you would live forever.

### Uzma Tahiya Khan

**Ambition:** Life is much like a roller coaster ride. With its unexpected twists and turns, ups and downs, it can be both fun and scary. I want to be successful in whatever field I decide to pursue.  
**Favourite Quotation:** Though no one can go back and make a new start, anyone can start from now and make a brand new end.

### Kazi Shudipto Amin

**Ambition:** The general goal that I pursue is to be happy with life. There is one ambition though -- a curiosity, rather: it is to find out the truth of our existence in the universe and about death and what follows ...  
**Favourite quotation:** "Philosophise, but don't take it too seriously. 'I think, therefore I am.' -- Rene Descartes

### Samia Tamrin Ahmed

**Ambition:** To be a good human being, study Public Health, or Development studies, conduct social welfare and earn respect, and good friends.  
**Favourite quotation:** A true measure of your worth includes all the benefits others have gained from your success."

### Nazia Karishma Kamal

**Ambition:** Until about a year and a half ago, I had wanted to be a famous architect; but all hopes of that were shot down when I realized I wouldn't understand physics if my life depended on it! Now, I am still unsure about what I want to be in life.  
**Favourite quotation:** "You live and you learn.... at any rate, you live" -Douglas Adams or call me Captain Backfire".-John Mayer

### Maisha Chowdhury

**Ambition:** The route I'm most likely to pursue, is that of international law. I plan to work in my own country and serve out a meaningful purpose. If I can say that I changed one human life for the better, I can call my life accomplished.  
**Favourite quotation:** "Some men see things that are there and ask 'Why?' I dream things that were never there and ask, 'Why

### Zakia Rahman

**Ambition:** I have no idea where I'm headed, but wherever I end up in the future, I hope that I can take pride in what I'm doing and that I'm living my life to its fullest, without, any regrets.  
**Favourite quotation:** One gets from life what one gives to it.

### Rakesh Rahmatullah

**Ambition:** My innermost dream is to become a mathematician one day but if that is a thought too ambitious, I'll be happy to be an engineer.  
**Favourite quotation:** Simplicity and originality can best define beauty."

### Sharjil Haque

**Ambition:** Computers have always interested me and so I would like to do something related with computers. preferably I would like to become a computer programmer or a software engineer.  
**Favourite quotation:** I believe in having confidence and faith in yourself in difficult times. So my favourite quotation is: "God helps those who help themselves.

### Farhan Aqebur Rahman

**Ambition:** To find peace and happiness within myself, to be indomitable in spirit, to persevere to bring out the very best in myself and others; to aim for the places that I've not been, to trample the paths that lie between yesterdays foundations and tomorrow.  
**Favourite quotation:** "All it takes to fly is to hurl yourself at the ground...and miss." Douglas Adams.

### Shabnam Noor

**Ambition:** Undecided. Probably to be a chartered Accountant, an Economist or a businesswoman.  
**Favourite quotation:** A person does what he/she can until his/her destiny is revealed to him/her.
