

**Sunbeams**  
O Level

**Ruhina Rahman**

**Ambition:** "To be successful as a human being who will be remembered for ages to come."  
**Favourite quotation:** Turn your face to the sun and the shadows fall behind

**Gulrukh Nawsheen Khan**

**Ambition:** I think I shall study medical science and become a doctor.  
**Favourite quotation:** Emotions are for the weaks. Threats are illogical. What you do is what counts.

**Sumaiya Rahman**

**Ambition:** I want to pursue my studies in economics and work at a reputable organization.  
**Favourite quotation:** "Go for the moon. If you don't get it, you'll still be heading for a star."  
-- Willis Reed

**Siddiqui's International School**  
O Level

**Alaska Haque**

**Ambition:** My ambition is to be a good doctor. For that I am preparing to go abroad (USA) for medical studies. Just hope I can have a good result in other courses to have a scholarship there to carry on my studies.  
**Favourite quotation:** Take risk if you win you would be happy, if you lose you would be wise.

**Humair Bin Md. Omer**

**Ambition:** My ambition in life is to become a computer engineer. I want to get a good job in an IT firm. I want to research in the technological field (perhaps in robotics) and invent something new.  
**Favourite quotation:** The success of science is to tell the story of religion in a more believable way.

**Syed Orko Atiq**

**Ambition:** Nowadays, in this consuming society of urban Dhaka the aim of a teenager rests exclusively on material gains. My aim in life is to hunt for knowledge.  
**Favourite quotation:** "O God, if there is a God, save my soul, if I have a soul" -- Jean-Paul Sartre

**Sunnydale**  
O Level

**Diana Ullah**

**Ambition:** I have planned to complete my BBA and then my MBA from a reputed University in Bangladesh or abroad. I would prefer to be a successful chartered accountant after completing my higher studies, but I am not sure my ultimate ambition would remain the same.  
**Favourite quotation:** "Work keeps us from three evils: Boredom, vice, and need." -- Voltaire

**Khondoker Tanveer Haider**

**Ambition:** Physics and chemistry being my favourite subject; I plan to study some area which would allow me to explore both these fields. I hope one day I will be able to invent something that will help everyone in this world.  
**Favourite quotation:** Never take a step backward, not even to gain momentum. Andy Garcia

**Tanzina Huq**

**Ambition:** I would want to pursue Electrical Engineering and later also work with NGOs with the benefit of traveling the world and looking out for people who need help more than others.  
**Favourite quotation:** Differences of habit and language are nothing if our aims are identical and our hearts open. -- JK Rowling, Harry Potter & the Goblet of Fire

**Durreh Tabassum**

**Ambition:** I would like to mention the few of my career choices. I would like to go for either engineering that is electrical or motor sport engineering or, architecture and design. But whatever I study my biggest ambition is to pursue a solid career and do really good in it.  
**Favourite quotation:** "A dream at first seems impossible, then improbable and then inevitable."

**Maherin Ahmed**

**Ambition:** My life long ambition is to set up the blueprint of Bangladesh that is more in tune with the orchestra of the global financial system, and social structure -- I want to be an economist.  
**Favourite quotation:** "Every man I meet is my superior in some way. In that, I learn of him."

**Tashique Alam**

**Ambition:** I always enjoyed biology, and related subjects. So I am planning to become a doctor.  
**Favourite quotation:** One pound of learning requires ten pounds of common sense to apply it. -- Persian Proverb

**Eeman Nasreen Ahmed**

**Ambition:** I wish to be happy in life always and to become a successful architect like both of my parents (Apparently, theory is relatively less important in that field!).  
**Favourite quotation:** "Never look at the doors closing behind you or you'll miss the ones opening ahead." Cyril Magnin

**Md Ali Zulayed**

**Ambition:** I want to become someone worthwhile, and have a successful career in a field I love, possibly somewhere in the software world (?). Let's see where life takes me!  
**Favourite quotation:** There is pleasure sure in being mad, which none but mad men know. -- Dryden

**Yashfin Mahid**

**Ambition:** My ambition is to be a graduate from a top university and lead an honest and happy life with my family. I want to help my country in whatever way I can, even if it involves helping the poor financially.  
**Favourite quotation:** Never lose faith in God, the Lord Almighty and never make fun of his creation.

**Efaz Alam Chowdhury**

**Ambition:** I want to become a CA, and have a successful career.  
**Favourite quotation:** Life is to enjoy, so I am enjoying it!!!

**Mohammed Tauseef Khalid**

**Ambition:** Reaching the acme of fame, name and success is my ultimate goal in life. At present I have to fulfill my dream of becoming a cardiologist and set up the world's biggest cardiac hospital in memory of my grandfather.  
**Favourite quotation:** "You never know what you can do till you try." "Laugh and the world laughs with you; weep and you weep"

**Zarir Ashraf Chowdhury**

**Ambition:** I have an utmost aspiration of becoming a genetic engineer. I wish I could wipe out the malevolence from our genes.  
**Favourite quotation:** Destiny awaits.

**Epshita Anher Islam**

**Ambition:** My goal is to end up with a perfect life, with my professional and personal relations well balanced. However, I'd take the long route to achieve it.  
**Favourite quotation:** Democracy means government by discussions, but it is only effective if you can stop people talking. -- Clement Atlee

**Munadir Aziz Ahmed**

**Ambition:** I haven't decided yet. Trying to take life one-step at a time.  
**Favourite quotation:** "Sometimes it is easier to walk around barricades instead of walking through it." - BONO

**Ashraful Huda**

**Ambition:** Honestly speaking, my prime ambition in life is to make money ... a lot of it ... and it really doesn't matter how it comes! But since there is little space for honesty in this adulterated world we live, I've set a different goal in my life ... to study medicine.  
**Favourite quotation:** Vini, Vidi, Vici ... I came, I saw, I conquered. -- Julius Caesar

**Fariha Muazzam**

**Ambition:** I want to study Molecular Biology and then do research work in some laboratory abroad, eventually discovering something enormously important and useful in medical science.  
**Favourite quotation:** Temptation is sure to ring your doorbell, but you don't have to ask it to stay for dinner.

**Narmin Sanjana Khan**

**Ambition:** I have always wanted to study some subject related to Physics, so now I want to study architecture or engineering. If I go abroad, I would like to do a major in Physics and mix it with a minor in music, specializing on some instrument like Guitar.  
**Favourite quotation:** Have faith in yourself and confidence in your abilities; then the whole world would be on your side.

**Asif Tanveer**

**Ambition:** I decided to be an aeronautical engineer and formulate ways to fulfill one of Man's greatest dreams -- to conquer the azure, the universe. I know my dream is very far but I enjoy pursuing this, taking it as a challenge.  
**Favourite quotation:** Never accept failure, no matter how often it visits you. Keep on going. Never give up.
