

Sunnydale O Level

Ahsanul Kabir

Ambition: I want to enjoy life as much as possible, besides having a successful career.

Favourite quotation: When you came to this world everyone was laughing and you were crying. Live life in such a way that when you die you are the only one who is laughing and the others are crying.

Mehwaesh Islam

Ambition: To strive for excellence for although there is much of "good" and "better", there is seldom "excellence" found in abundance.

Favourite quotation: The heights by great men reached and kept were not attained by sudden flight, but they, while their companions slept, were toiling upward in the night. -- Henry W. Longfellow

Shahrukh Yasmin Mirza

Ambition: Being of the aimlessly wandering breed of people, I found myself drawing a blank when faced with having to write about my ambitions. I've thought a little about what I want to be when I grow up, coming up with a thousand options but settled on none.

Favourite quotation: Life is a mystery to be lived, not a problem to be solved.

Ariful Kabir

Ambition: I dream of the entire world as a single nation where everyone will do according to their abilities and get according to their needs. This is only a dream because I know as an individual it is not possible for me to change the face of mankind.

Favourite quotation: "The Philosophers have only interpreted the world in various ways; the point is now to change it". -- Karl

Tousif Jamal

Ambition: Many different ideas swirl in my head when I come to think about ambitions. Perhaps, the most realistic ambition which I have thought about is to become an electrical engineer.

Favourite quotation: Ignorance is the curse of god, knowledge is the wing wherewith to fly to heaven.

Wafi Danesh

Ambition: In the near future, I want to set my sights in the field of science, and if I get time, be a musician. However, first of all, I want to get a decent job and earn an honest living.

Favourite quotation: 'You get one chance, one life and few opportunities to live out a dream. Don't waste it!'

Sunshine Grammar School O Level

Nivedita Sarker

Ambition: Ever since I was a kid I have been chasing my dreams and still I can't say much about my destination. But, no matter which way I go, I surely intend to reach the zenith of it.

Favourite quotation: 'Courage is not the absence of fear, but the

Anita Mehreen Ahmed

Ambition: My ambition is to become an astronomer and research on extraterrestrial life. If I can ever find any new information on this section this would be an amazing discovery, which will be the greatest achievement of my life and my country.

Favourite quotation: As you sow so you reap.

Junaid Islam

Ambition: To be the best in everything I want to do in life.

Favourite quotation: "Life is a game, where your dedication might bring you victory or your carelessness might bring you the curse of losing."

Shajia Fatema Zafar

Ambition: I want to be a doctor because I feel that this profession will enable me to extend my hands towards people who need love, care and support.

Favourite quotation: My one regret in life is that I am not someone else.

Muhammed Sacuar Hussain

Ambition: My ambition is to study chemical engineering. I want to deal with complex chemicals with my complex brain and to sacrifice my time for poor people in my country.

Favourite quotation: "Life is a hard game, only a quality player always becomes the winner."

Beshroon Afsary

Ambition: I want to do my higher studies abroad and come back to Bangladesh. Deep inside me I have the immense desire to do something for my country.

Favourite quotation: Happiness is a choice, it is just that whoever chooses to be happy, makes their life a lot easier.

Zahina Bhuiyan

Ambition: I would like to be a professor of English literature because it will enable me to share my knowledge with the next generations.

Favourite quotation: Paradise lies beneath the feet of mother. Happiness hides in life's small details. If you're not looking, it becomes invisible.

Dewan Syed Mohtad Reza

Ambition: My ambition is to study Genetics. Mankind is the most wonderful and complicated creature the Almighty has ever created. I am always thrilled to read and hear about the articles some renowned genetic researchers have written on past days, which increases my desire to know even more about genetics.

Samina Alam

Ambition: My future as I see it is pretty simple. I want to work my way through medical school, and build myself a stable career. I want to be a person who lives up to her own expectations and not to what is expected of her.

Favourite quotation: 'If you follow the footprints of others, you leave no footprints.'

Raihan Ahmed

Ambition: I would like to do anything and everything possible to make my parents proud and make their dreams come true. Their happiness would be a greater achievement to me than anything else.

Favourite quotation: We have nothing to fear but fear itself.

The Aga Khan School O Level

R Dewan Ahmad

Ambition: I wish to continue my education and later on study aerospace engineering or related topics. By entering into this field I hope that through my hard work, I can contribute substantially to this area and eventually help to bring a change to peoples' lives around the world.

Favourite quotation: We have all been placed on this earth to discover our own path, and we will never be happy if we live

Joytu Ahmed

Ambition: When I reached grade nine I decided my one and only ambition which is none other than the profession that had been dominating my list all through, a "research worker" to be more precise a "scientist".

Favourite quotation: A wise man is like water which takes the shape of any container it is poured in.

Samara Sadrin

Ambition: Whatever be my career, I want to be known as an individual of sincerity, strength and self-determination.

Favourite quotation: Live everyday like it's your last, cause one day you're going to be right-Ray Charles.

Mahrina Binta Munir (Susan)

Ambition: Hmm... I want to grow as a human being ... I want to design the 8th wonder of the world, have breakfast on Mars, put criminals in jail ... I want to be the Prime Minister of Bangladesh, a scientist, a business personnel, an astronaut, a psychiatrist, a cop, an artist ... The sky is the limit!

Favourite quotation: "Knowledge is only the power, enthusiasm is the switch!"

Irfan Ahmed

Ambition: What's become of this world is what has become of me. I am pushed forward without any goals into a web of uncertainty, complete with spiders waiting patiently to attack its prey. In conjunction with my lethargic brain, I have decided to dedicate my life to myself and enjoy it doing things. I love (to do), which basically involves having music as a center.

Rafwat Mustafa Shauki

Ambition: I want to be successful in whatever field I choose in life and make the nation proud of me.

Favourite quotation: Life comes once, enjoy to the fullest.

Tasnuva Amin

Ambition: Success for me is barrels of hard work. Though I haven't yet decided in particular what I would do, but I want to spend my hard work on something that would take me to the top of the ladder of success.

Favourite quotation: Success is how high you bounce when you fall at the bottom.

Nubaha Mahbub

Ambition: I don't believe in making plans too far ahead. Life has its own course mapped out for me and I am willing to wait and see how things turn out for me.

Favourite quotation: "Shoot for the moon. Even if you miss, you'll land among the stars."
