

SALUTING THE NATION BUILDERS OF TOMORROW

SPECIAL SUPPLEMENT ON O & A LEVEL AWARD (2003 -2004)

The Daily Star

Private Candidates

O Level

Nafiz Karim Iqbal

Ambition: My ambition in life is to become a games developer. It has been my dream since childhood. I was always interested in video games and as I grew up, I realised that this is what I want to do.

Favourite quotation: "While one door in life closes, another opens. It is our job to find that door." -- Matthew Perry.

Shamma Adeeb Alam

Ambition: To reach the heights in any important field of study and be successful in all aspects of life. I'd like to be remembered for my deeds.

Favourite quotation: Don't take anything for granted in life. Your efforts would be determining your future, not your big expectations.

Md Moshfequr Rahman

Rahib Maruf Iftekhar

Ambition: To be software engineer.

Favourite quotation: Life is just a big surprise. You never know what will happen next, and that's what makes it worth living.

Syed Abu Salman

Ambition: To be an architect.

Favourite quotation: Life is short, enjoy it.

Zahedul Amin

Ambition: I would like to be a Chartered Accountant.

Favourite quotation: Yesterday is a cancelled cheque. Tomorrow is a promissory note; Today is the only cash you have so spend it wisely.

Samanta Biswas

Ambition: I want to be one of the top Cardiologists of my country, so I can save the lives of people by curing their diseases.

Favourite quotation: "A person who is keen to do something will find a way out, but a person who isn't will find an excuse."

Tanjilul Bin Amin

Ambition: My ambition in life is to become a lawyer. This is a subject that has always interested me.

I shall always be in contact with people and be able to serve the poor and the innocent.

Favourite quotation: When they said to you at graduation, "Follow your dream," did anybody say you have to wake up first. Bill Cosby.

Ayesha Nayyar

Ambition: To become a good human being and a responsible citizen of Bangladesh.

Favourite quotation: God gives and forgives, man gets and forgets.

Sheikh Khaled Reza

Ambition: My ambition is to become a prodigious automobile engineer. The field of this career is so small in our country that I would have to go abroad, like USA, Japan, if its path is not developed here.

Favourite quotation: Small opportunities are often the beginning of great enterprises.

Tasfia Rahman

Ambition: After completing my education I would like to utilise my knowledge in executing developmental projects in the country. In addition I want to lead an honest and peaceful life and make my parents happy.

Favourite quotation: Live everyday like it's your last, cause one day you are going to be right.

Amrita Nakin Islam

Ambition: To become a successful business person and a good human being.

Favourite quotation: After such knowledge, what apology.

Mortoza Rahman Shuhan

Ambition: It has been quite a long time, I was trying to settle down with my aim in life. Without any choices left, I had to take a decision and finally I decided to be an aeronautical engineer and guess what my parents are still fighting!

Favourite quotation: "Behind every man's success there is a

SM Mahmudul Hasan

Ambition: Well ... I got 2 dreams to accomplish. I want to build a hospital of my own and a mansion at Beverly Hills.

Favourite quotation: "When a dog bites you, don't bite it back. Just kill it"

Dania Anwar

Ambition: Basically I want to involve myself in a profession by which I can help to bring happiness to people around me. I have seen what an important role a doctor plays in the crucial moments of our lives. This has inspired me to become a doctor in future.

Favourite quotation: "To show the light, you have to burn yourself." Mikhail Gorbachev.

Muhammad Zareef Zahrat

Ambition: The goal of my life is to live the life of a normal human being with extra ordinary achievements. Finally, for my future career, my interest lies in the fields of biotechnology and also medicine.

Favourite quotation: "Life is a kind of illusion, set forth by our minds, with a combination of uncertain opportunities, which we should grasp with complete enlightenment."

Mohammed Ekram Alif

Ambition: I want to be a Chartered Accountant.

Favourite quotation: "Try to reach the sky, you will get the sun at least".

Syeda Mansur

Ambition: My ambition is to make the world a better living place for my fellow beings. I want to take the job of an ambassador of peace. No matter how tough the obstacles I face in my mission, I will walk brave and always make my presence felt with my determination.

Favourite quotation: "God helps him who tries to build his own fortune."

Oriana Rahman

Fahmina Rahman

Ambition: One thing that I've always wanted is to be somebody big, to earn big money, and to make my parents proud someday out there in the future in whatever it is that I end up doing.

Favourite quotation: "Lord, how the day passes! It's like a life so quickly when we don't watch it, and so slowly if we do."

Tasnim Siddiqi

Ambition: I want to become that scientist to whom the world can look up to and fulfil my parents dream.

Favourite quotation: "Love and peace that is indeed, Always we need, no war but peace." "Take integrity over popularity and you'll always be cool."

Mushfiqur Rahman

Shafinaaz Kamrul

Ambition: I would like to be a lawyer, I could come up with a few reasonable explanations: it was not totally random. I have been known to be the "studious one" and I think my book-oriented mind can live through law school.

Favourite quotation: "The future belongs to those who believe in the beauty of their dreams." Eleanor Roosevelt
