

*Good morning!*

*This is not just an advertisement.  
This is our  
sincere recommendation  
to all people  
who are looking for  
cardiac treatment.*

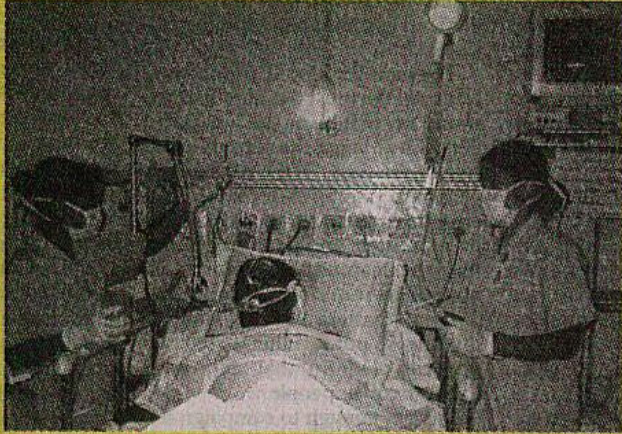

Ibrahim Cardiac Hospital has a modern ambulance service. It is a mobile hospital. As the patient boards the ambulance the treatment starts.

For this you need proper environment and modern, efficient and empathetic medical services at every step.

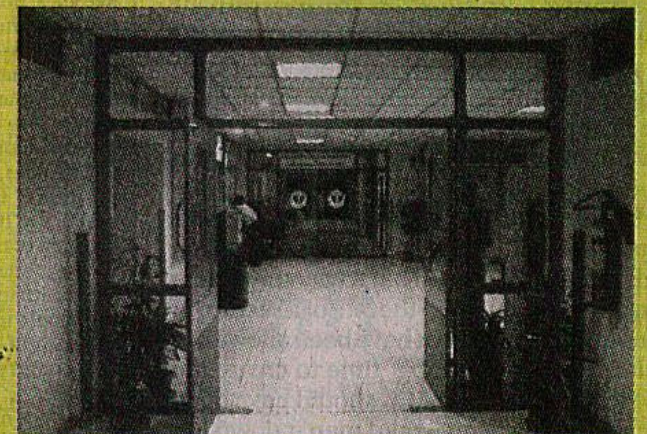

Proper food and medication for the cardiac patient is indispensable from the very beginning of the treatment. We have trained nutritionist and a proper kitchen.

Our skilled and empathetic nurses are always there to provide relentless compassionate service.

Our doctors are highly skilled from long training and working experience in advanced cardiac centers. We have collaborative venture with Aga Khan and Oslo Universities for constant upgradation of knowledge and skill.

By maintaining a global standard of hygiene and aseptic condition we render our service at its pinnacle.

We are located where Diabetic Association of Bangladesh has a multidisciplinary hospital of Ibrahim Diabetes Centre allowing us to provide additional care. Besides, Ibrahim Cardiac Hospital is significantly less expensive as it is a non profit organization.

In a single word, in every step we provide **Total Care**

For 24 hours, we are ready to provide the best service for any kind of cardiac problem
