In Memoriam

K M Ataul Huq
(16th April 2003)

A sadness still comes over us. Tears in silence often flow. Our memory keeps you near us. Though you died two years ago, It broke our hearts to lose you. But you didn't go alone. For part of us went with you. The day Allah called you home. A million times we have needed you. You never would have died. So many things have happened Since you were called away. So many things to share with you. Had you been left to stay. It's lonely here without you. We miss you more each day. For life is not the same to us. Since you were called away. You left us beautiful memories. Your love is still our guide. And although we cannot see you. You are always by our side.

Nadira - Anisha

OBITUARY

Clifford J. Randolph aged 71 died on 11th April 2005, at the Inova Fairfax Hospital, in Virginia USA. He was fondly known as CJ to all his family and friends.
He was born on 26th September 1933, in Chittagong and spent most of his adult life in Dhaka. He and his wife recently moved to the US. He is survived by his loving wife Teresa, three daughters Romayne, Roslyn, Raquel, two sons Roche & Rodney and ten grandchildren.
His lively presence will be sadly missed by all who knew him. Go in peace. We read Psalm (23), "He guides me along the right path, He is true to His Name. If I should walk in the valley of darkness no evil would I fear, You are there with Your crook and Your Staff, with these You give me comfort."
The family can be contacted at the following:
Rpereira@worldbank.org & amondraquel@yahoo.com

Study in the UK

Spot Admissions for September 2005
northumbria UNIVERSITY
great learning great experience great future
Dr Gerry Hayden (School of Informatics, Engineering and Technology) and Alex Metcalfe (International Office) will be in Dhaka on 19th and 20th April and in Chittagong on 21st April to give seminars, conduct interviews and make spot offers to qualified candidates.
Northumbria University, located in the popular student city of Newcastle, has been rated a "First Division University" by the UK's Daily Telegraph for three consecutive years.
Programmes include: Bachelors and Masters in many Engineering subjects, Business/Management, Computing/IT, Education, Health, and Law (LLB, LL.M, Bar Vocational Course and Legal Practice Course). There are also one-year top-up degrees in Computing, Business and Nursing for students with a relevant higher diploma. Scholarships may be available for suitably qualified candidates.
Pre-registration is required for both seminars and interviews. To register and to enquire about event venues please contact the relevant representative.
