

State Minister for Education ANM Ehsanul Hoque Milon on a surprise visit to a HSC examination centre in Meherpur district on the first day of the examination yesterday gets upset as he finds guidebooks hidden by the students in the toilets of that centre. Milon expelled the student who brought the books for copying in the examination.

Stranded Pakistanis want either rehabilitation or repatriation

STAFF CORRESPONDENT

Stranded Pakistanis here want a prompt and clear-cut decision on their repatriation or rehabilitation from the governments of Bangladesh and Pakistan.

They have been living inhumane lives in different camps with lack of drinking water, electricity, sewerage facilities and congested and shabby housing facilities since long, they said at a press conference at the National Press Club in the city yesterday.

The Pakistanis, who failed to return to their homeland before or during the Liberation War in 1971, have been living in the 66 camps across the country. According to the 1992 census,

Repatriation Committee (SPGRC) leaders claimed that even a small amount of relief (3 kilograms of rice), which the government had been giving to each Bihari, has been stopped for the last 17 months.

"We do not want to be the victims of the tangles of various government agencies," he said, adding that they have minimum capacities to earn and live.

They also alleged that some vested quarters often threaten them of eviction from the camps and various government agencies abolished their living rooms and other structures without any government order.

Strike continues at DU Soil Dept

DU CORRESPONDENT

Classes and other regular activities of the Soil, Water and Environment Department of Dhaka University (DU) remained suspended yesterday as the teachers of the department continued their indefinite strike demanding immediate removal of the chairman Prof Mohammad Khurshid Alam.

Even though there remains controversy among the teachers over the process of the movement, all the teachers demanded immediate removal of the chairman for the greater interests of the students,

teachers and all others concerned. Earlier on Wednesday, the teachers put the rooms of the departmental office and chairman under lock.

The situation worsened when the chairman named a teacher to a newly appointed lecturer saying that that teacher had given 'Note of Decent' against the lecturer's appointment at an Academic

Council (AC) meeting on Tuesday. The chairman, however, could not be reached immediately for comments over the phone despite repeated attempts as of yesterday.

Research (IEDCR) and International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B).

Identifying fruit bats as the natural reservoir of the Nipah virus in Bangladesh, international and local scientists also said climbing trees, drinking raw date palm juice or fruit, contact with sick animals and persons act as risky factors for Nipah virus infection.

Scientist Dr P Stephen Luby in his paper pointed out that each outbreak in Bangladesh occurred between Januray and April.

Prof Mahmudur Rahman and Emily Gurley, Dr Jahangir Hossain, Faridpur Civil Surgeon Dr SM Abul Khayer Miah and Tangail Civil Surgeon Dr Dewan Abdul Latif presented papers in the seminar.

Health Secretary AFM Sarwar Kamal, ICDDR,B Executive Director Prof David A Sack and Charles Liewellyn of USAID addressed it among others.

CPB demands withdrawal of immunity bill

STAFF CORRESPONDENT

Communist Party of Bangladesh (CPB) at a rally Wednesday demanded withdrawal of the bill to amend the 'International Financial Organisation Order 1972' to give immunity to the World Bank and IME

CPB organised the rally at Muktangan in the city as a part of its protest against the bill.

The speakers said preparation is going on to pass the blacklaw, which would immune World Bank from its accountability to the government for its activities in the country.
