Join the Winning Team...

Being a Corporate Internet Service Provider (ISP), Global Online Services Ltd. presently holds maximum share of the corporate market. Substantial budget for R&D enables the company to offer new solutions for Corporate Bodies on a regular basis since its establishment in 1997. This Texas Group company is the 1st ISP in the country to achieve ISO 9001:2000 certification for its Quality Management System. In addition to its present strength of Human Resources, Global Online will recruit a few dynamic individuals for the following positions to boost the strength of its existing team.

Manager, Infrastructure

- Graduate in Electrical Engineering
- Good knowledge in Computer Hardware & Networking, Power system design & maintenance for IT industry
- Experience with strong exposure in the maintenance and planning of ISP infrastructure will be given preference
- Planning ability of preventive and routine maintenance of equipments
- Project planning and implementation skill

Manager, Service & Support

- Master Degree preferably in Computer Science
- Unix or Unix-like Operating Systems, preferably Linux, FreeBSD or Solaris
- Vast knowledge in Networking Technology
- Basic concept in Router, Switch and Other networking equipments
- Very good concept in TCP/IP
- Experience in ISP Customer Care will be given preference

Executive, Sales & Marketing

- Masters or Honors from any discipline (BBA, MBA preferred)
- Good product presentation and negotiation skill
- Basic IT and Internet Knowledge
- Energetic, aggressive, well-organized and willing to learn
- Females are specially encouraged to apply

Please email or post your CV (with recent photograph) to the following address. CVs must reach us by 23rd May 2005. Please mention the post applied for on the top of the envelope/email.
