TOSHIBA

Toshiba recommends Microsoft® Windows® XP Professional.

Toshiba EasyGuard – notebooks have never been better protected.

The better way to enhanced data security, advanced system protection and easy connectivity.

PORTÉGÉ S100 and M300 are equipped with integrated bumpers, shock absorbers and a spill-resistant keyboard* for all-round, fuss-free protection.

Nothing, not even bumps, falls or spills stops the PORTÉGÉ S100 & M300. Armed with the revolutionary Toshiba EasyGuard, PORTÉGÉ S100 & M300 are the toughest new notebooks designed to take the rigors of frequent business travel in their stride. In the event of an accident, integrated bumpers protect key components while your data is protected against impact by strategically positioned shock absorbers. Coupled with the wireless efficiency offered by Intel® Centrino™ Mobile Technology, PORTÉGÉ S100 & M300 ensure that downtime is minimized, no matter where you go.
