**Request for Proposal (RFP)
to produce 2D animation**

In 2000, more than 100 countries, including Bangladesh, committed to achieving the Millennium Development Goals (MDGs) by signing the Millennium Declaration. The MDGs comprise eight development goals.

UNDP, along with its partners, seeks to promote these goals, especially among young people, through the production of an eight-part 2D animation, in Bangla, for broadcast on television.

The successful company will work closely with UNDP to develop and field test an appropriate 'MDG character', develop eight storylines, draft scripts and undertake all activities leading to the final production of the eight-part 2D animation.

It is envisaged that each segment be between 2 to 5 minutes in length, and be produced using classical hand drawn animation (with a minimum of 12 drawings per second of animation) digital ink, paint and compositing.

Detailed Terms of Reference (TOR) will be available from UNDP Finance Unit against Tk.500.00 (Taka Five hundred) only (Non-refundable). For any query, please contact Mr. M. S. Khalid Bin Huda, Chief of Procurement, UNDP in Bangladesh, Tel: 8118600-06 Ext. 2457.

Kindly note that UNDP reserves the right to accept or reject any proposals without assigning any reasons whatsoever.
