

# VACANCY ANNOUNCEMENT

A well-reputed health care company working in Bangladesh for the last thirty years wishes to recruit the following professional. The company is in expansion mode with a new strategy and seeks high caliber candidate who would join the team and meaningfully contribute to the efforts to reach the organization's goal.

## HEAD OF MARKETING

The incumbent will be responsible for establishing and achieving the marketing objectives of organization's products and services in line with its growth vision. S/he will plan and mobilize resources to facilitate the activities of the managers and monitor progress to ensure that objectives are being achieved as planned. S/he will work closely with the Sales Department to establish key sales targets and strategies, monitor and review performance of both the marketing and sales team, undertake field visits and provide timely support for achievement of the targets.

## Qualification and Experience:

- An MBA or a Master's degree in marketing from a well-reputed university.
- Minimum 8 - 10 years of experience in marketing management with at least five years in a lead position having supervised other marketing management staff.
- Strong in strategic thinking, analytical and budgeting skills, excellent written and verbal proficiency in English and good working knowledge of MS Office.
- Good knowledge of both urban and rural markets of Bangladesh through own field experience.
- Some knowledge of healthcare business in the country and National Health Policy.
- Age between 35 - 42 years.

Prospective candidates may apply in strict confidence with detailed CV and two copies of recent passport size color photographs by **June 28, 2005** to the "The Advertiser" C/o, The Daily Star, Karwan Bazar, Dhaka, Box No. A-132.

Please mark the position applied for, on the top of the envelope.

## VACANCY ANNOUNCEMENT

IUCN -The World Conservation Union was founded in 1948 and brings together 77 States, 114 government agencies, and 800-plus NGOs. More than 10,000 internationally-recognized scientists and experts from more than 180 countries volunteer their services to its six global commissions. Its 1000 staff members in offices around the world are working on some 500 projects. Its mission is to influence, encourage and assist societies throughout the world to conserve the integrity and diversity of nature and to ensure that any use of natural resources is equitable and ecologically sustainable.

## CAREER OPPORTUNITY With Concern Bangladesh

Concern is an international development agency with operations in 29 countries in Asia, Africa, Latin America and Eastern Europe and head office in Dublin, Ireland.

Concern Bangladesh has for over thirty years been committed to working with, and for, the country's poorest people. In recent years Concern has strategically moved away from direct implementation of programmes and service delivery and more towards facilitation of partners. Concern is now inviting applications from person who are confident to take over the following positions.

Child Survival Programme (CSP) of Concern Bangladesh is a partnership programme with municipalities in northern districts of Bangladesh which aims to improve the management and technical capacity of municipalities to deliver good quality services, particularly on child survival interventions through facilitation and mentoring. All position will be based at Northern Regional Program.

## PROJECT MANAGER

The Project Manager will be responsible for representation, implementation and monitoring of the project in the assigned municipality.

## Requirements:

- Masters in social science / Medical graduate with minimum 2-3 years experience in working with health program.
- Has experience of working in partnership programmes with government or local government.

## RESEARCH OFFICER

The position requires to provide health management information system support for partners; management of database; facilitate progress tracking and action; action and operations research and population surveys. The Research Officer, while based at Regional office at Rangpur, is expected to visit projects at regular interval as per project needs.

## Requirements:

- Masters in Social science/Statistics or Public Health with 2-3 years working experience of monitoring and evaluation of health programmes.
- Skilled in qualitative and quantitative research methodologies.
- Familiarity with Operations Research.
- Demonstrated documentation skill.

## FIELD TRAINER

The Field Trainer is responsible for the development of management and ensure technical capacity of respective municipality cabinet, health supervisors; support municipality cabinet to mobilize the community for creating the demand for MCH and FP services as well as locally monitor, report & oversee BCC & HMIS activities. Field trainer is based at respective Municipality office.

## Requirements:

- Graduate with at least 2 years of working experience at field level with maternal and child health related programs.
- Experience in training facilitation and of working in partnership
- with government/local government.

We offer excellent working environment with a competitive salary and a challenging career progression opportunity for the high potentials.

If you are interested to have a challenging career with Concern, please send your resume, copy of a recent passport size photograph and names and addresses of two referees by 25 June 2005 to: Human Resources Department, Concern Bangladesh, G.P.O. Box. # 650, Dhaka-1000. Please mark the envelopes with the position applied for. Any sort of persuasion will be treated negatively. Due to the volume of applications, only candidates under positive consideration will be informed of the outcome.
