BBC WORLD SERVICE TRUST

Senior Audience Research Executive
Based in Dhaka, Bangladesh
10 month contract (July 2005 - April 2006)

The BBC World Service Trust and BBC Bengali Service are launching a project in Bangladesh involving a series of radio debates and programmes, in partnership with universities and media organisations, addressing governance issues.

The Senior Audience Research Executive will contribute to the design and implementation of two national public opinion surveys, a qualitative impact study with the project's audience members, and press monitoring. She/he will contribute to audience research reports, present research findings and conduct analysis, liaising with Bangladeshi research agencies and ensuring that all research is delivered to specifications, on budget and according to timeline.

Key Requirements:

- Minimum five years experience in quantitative market/social research in Bangladesh.
- Strong analytical, report writing and presentation skills.

To obtain application:
E-mail: WS.Trust.R&L2@bbc.co.uk with BANGLADESH AUDIENCE RESEARCH as the subject, and giving your name, e-mail address and telephone number.
