**James P Grant School of Public Health, BRAC University  
Master of Public Health (MPH) Programme  
Admission for 2006**

BRAC University ([www.bracuniversity.ac.bd](http://www.bracuniversity.ac.bd)) announces applications for Master of Public Health (MPH) programme in the James P. Grant School of Public Health for the session 2006-2007. Designed to be innovative, technically embracing international standards, utilizing state-of-the-art methods and technologies of teaching / learning, and providing unique opportunities in hands-on field experience, the School offers an international programme with students and faculty recruited from Bangladesh and abroad. The first class comprising 25 carefully selected students from nine countries started their training in February 2005.

**Calendar:** The MPH program runs full time for 12 consecutive months starting in February 2006.

**Collaboration:** The programme is being offered in close collaboration with ICDDR, B the Centre for Health and Population Research (Bangladesh), Columbia University (USA), University of Amsterdam (The Netherlands), Uppsala University (Sweden), and Carleton University (Canada)

**Special feature:** Multi-disciplinary in design, the programme emphasizes development of competencies in the various areas of public health including medical anthropology, epidemiology, biostatistics, management, health economics and financing, and communications. To facilitate experiential learning, at least a third of the program will be residential in a rural setting of Savar. It will make best use of the long experiences of BRAC programmes and research in the areas of health and development ([www.brac.net](http://www.brac.net)). An International Advisory Board oversees the programme.

**Finances:** The school is financed through donations from development agencies and BRAC. Scholarships will be offered to deserving participants, depending on availability of funds. This will cover all or some of the following: tuition, accommodation and food, and other related costs, an out of pocket allowance and other academic expenses. However, candidates are strongly encouraged to seek funding. The total cost of the programme is U.S. \$19,000.

**Admission requirements:** The MPH is particularly suited to individuals who wish to build or further their career in public health or allied areas. Candidates fulfilling the following criteria are eligible to apply:

- A Bachelor's/ Master's degree (at least 16 years of education) in Medicine, Nursing, or any physical, biological or social sciences. Excellent academic records with no third division or with GPA of less than 3.0 (out of 4)
- Excellent proficiency in English. A minimum TOEFL score of 250 on computer-based test or IELTS of 6.5 is required
- Relevant work or academic experience.
- Computer literacy; skill in using any statistical software will be an advantage
- Age not above 40 years.
- Candidates must also attend written and oral interviews

Individuals wishing to pursue this programme are invited to send their applications with detailed CV along with two passport size photographs to Registrar, BRAC University, 66, Mohakhali C/A, Dhaka 1212 by September 15, 2005. Application form can be downloaded from the web or collected from BRAC University Admission Office. Only short listed candidates will be called for interview. Please mention "MPH programme" on top of the envelope. For further query please visit [www.bracuniversity.ac.bd](http://www.bracuniversity.ac.bd) or call at 9881265 Ext: 485
