If you meet the above requirements, please send your application along with a recent passport size photo to the following address within 17 July 2005. Please mention on the envelope the position you are applying for. You can also email your CV at recruitment@lbd.lafarge.com.

Human Resources Department,  
Lafarge Surma Cement Ltd.,  
House 35, Road 24, Gulshan 1,  
Dhaka 1212, Bangladesh.

Only short-listed candidates will be called for an interview

## UCEP - Bangladesh (Transforms the Underprivileged Children into Productive Human Resource)

### Staff Vacancy

Underprivileged Children's Educational Programs (UCEP) is large and expanding national NGO having 44 institutions in Dhaka, Chittagong, Khulna and in Rajshahi metropolitan cities. UCEP is imparting general education up to Grade-VIII and technical / vocational training in nearly 20 trade courses. UCEP directly works with working children, with a view to ensure their educational rights and reduce school dropouts. It provides skill training to the poor underprivileged children to develop their employable skills and places them in gainful employment. The present enrolment is 24,000 children in its institutions.

UCEP invites applications for the following posts:

#### 1. Fundraising Officer

##### Minimum educational qualifications, experience & other requirements:

- Bachelor degree in any discipline from any reputed institute/university.
- 07 years practical experience on fundraising activities in any GO/NGO.
- Must have practical skill to explore funds from different sources within and outside the country.
- Should be able to develop project proposals for Income Generation (IG).
- Must have sound knowledge and skill on cost benefit analysis of IG projects.
- Must have strong interpersonal communication skills to deal with different stakeholders.
- Should be skilled to monitor IG activities and prepare analytical reports on IG.
- Fluency in English both spoken and written is essential.

**Salary:** Attractive compensation package for suitable candidates.

#### 2. Secretary to the Directors

##### Minimum Educational Qualification, Experience & Other Requirements:

- Bachelor Degree in any discipline from any reputed university/institute.
- 05 years experience in similar position in GO/NGO.
- Should be computer literate and skilled in operating programs like Powerpoint, MS excel, MS Office and skilled in Bangla Word processing.
- Training or diploma in Secretarial Science will be given preference.
- Should be able to perform secretarial duties independently, such as office correspondence, setting up of meetings and appointments, filing, coordination with other directorates, writing of meeting minutes and other assignments as and when necessary.
- He/She should be well conversant with use of electronic office equipment / devices.
- Excellent knowledge of English both spoken and written is essential.
- Candidates having "A" level or equivalent from reputed English medium institution will be given preference.

**Salary:** Attractive compensation package for suitable candidates.

Application addressed to the **Manager (HRM)** to include:

- C.V.
- Attested copies of all educational and experience certificates.
- Names and addresses of two traceable referees who are not relations of the candidate.
- Two recent passport size photographs.
- Demand Draft/Pay Order (non-refundable) of Tk. 100/- in favour of UCEP - Bangladesh.

Applications must reach the Office of the **Manager (HRM)**, UCEP - Bangladesh, Plot # 2 & 3, Mirpur-2, Dhaka-1216 by 16 July 2005. The post applied for should be mentioned on the top left side of envelope. Only short listed candidates will be contacted. Authorities reserve the right to accept or reject any application without assigning any reason whatsoever.

Female candidates are especially encouraged to apply.  
Unsolicited approaches will be taken as disqualification.

**Cairn**

Cairn Energy PLC, located in Edinburgh, Scotland is one of Europe's largest independent oil and gas companies with operational offices in India and Bangladesh. The Cairn Group focus is on South Asia where a pioneering approach is the key to its success. Cairn Energy Sangu Field Limited and its sister company, Cairn Energy (Exploration) Bangladesh, both subsidiaries of Cairn Energy PLC, are dynamic and entrepreneurial oil and gas exploration and production companies. Based in Dhaka Bangladesh we are seeking to employ the following professionals to join the team.

**DEPUTY GENERAL MANAGER, GEOSCIENCES**

**THE ROLE**

- Working closely with the Cairn Group geoscience team, you will be responsible for ensuring high quality technical work is achieved in a timely manner in both onshore and offshore exploration and production assets
- Manage the in-house geoscience team and consultants
- Develop the organisation's portfolio of assets and opportunities for input to the Cairn Group Business Planning cycle
- Seek to maximise the value of the our assets with the use of appropriate conventional and innovative geoscience

**THE PERSON**

- At least 5 years management experience in the field of geosciences in the oil and gas industry
- Geosciences background, both in exploration and development with a strong technical grounding
- Hands-on experience on offshore gas developments along with commercial and economic awareness
- Good communication skills, the ability to interact with people at all levels in the organisation and a team player
- Must be comfortable in multicultural and complex and challenging stakeholder environments

**PETROLEUM ENGINEER**

**THE ROLE**

- Provide all reservoir engineering input to both onshore and offshore sites, exploration and corporate assets
- Build and develop dynamic simulation models to define optimum short term capacity measures and long term recovery factors and optimal long term development options
- Reservoir Engineering contribution to portfolio description and input to Cairn Group Business Plan/Capital Allocation
- Reservoir engineering input to exploration prospects when required

**THE PERSON**

- A Petroleum Engineer with at least 5 years management experience of working in offshore and onshore oil and gas facilities
- A strong technical grounding in relevant areas of both offshore and onshore oil and gas operations is essential
- Good communication skills are vital along with the ability to interact with people at all levels in the organisation
- Should be a strong team player

Positions will be based in our Dhaka office in Bangladesh  
Fluency in the English language is essential and proficiency in Bengali would be an advantage.  
Interested candidates should send a current CV stating the expected salary to [HRMBD@cairn-energy.plc.uk](mailto:HRMBD@cairn-energy.plc.uk)  
The closing date for applications is 25th July 2005
