CONSUMARK

Business Development Analysts

Our client, SouthAsia Enterprise Development Facility (SEDF), a Project Development Facility (PDF) of the International Finance Corporation (IFC), based in Dhaka, is seeking Business Development Analysts (BDA) for its Investment Climate Assessments program.

SEDF is a multi-donor funded facility, managed by the IFC of the World Bank Group. SEDF's Investment Climate Assessments (ICA) program is a new program working with its target economies of Bangladesh, North-East India, Nepal and Bhutan.

The candidate is expected to have Masters degree in Economics, Development Studies or Law with strong analytical and communication skills and 5-10 year experience analyzing and/or making economic policy. Working experience in a developing country other than Bangladesh will be highly valued.

This is an exciting opportunity for an individual who wishes to make contribution in the development arena. The appointment will initially be on a short-term basis, which may be renewed further, depending on the performance of the incumbent. The BDA will be based in Dhaka with frequent travels, both within and outside Bangladesh. The job offers competitive package, depending on qualifications and experience.

Please e-mail your CV to jobs@consumark.com by 20 July 2005.

Notice

Subject: The National Federation of UNESCO Associations in Japan Prize (NFUAJ Prize).

The NFUAJ Prize is launched this year by the Japan Broadcasting Corporation NHK World. The aim of the prize is to award an outstanding proposal for an educational Television (TV) programme to promote literacy, language education and also contribute to the development of basic education.

Qualified participants include educational institutions, authorised broadcasting services, independent production organisations and cable television enterprises with limited means.

Some conditions for the participants:

- Participating organisations may enter four proposals in total, one proposal corresponding to each category shown below:

Category	Target Age	Required contents
Early education	For children up to about age 12	Programs with educational value for children
Youth education	For youth around age 12 to 17	Programs with educational value for youth
Adult education	For adults	Programs which help viewers deepen their knowledge and cultural understanding
Issues in education	For adults	Programs which address educational issues

- The duration of the TV program must be no longer than 30 minutes.
- The direction may take any format (e.g. drama, puppet play, etc.)

Award:

Award for a winning proposal of the NFUAJ Prize is US\$ 3,000 a trophy and an award certificate. The prize winning program should be produced and broadcast using the cash prize US\$ 3,000 before 31 October 2006. The best proposal may also given the Hosono Bunka Foundation Prize which includes US\$ 8,000/a trophy/an award certificate.

The proposal should be submitted through the following website by 10 August, 2005.
<http://www.nhk.or.jp/jp-prize>.
