Job Opportunity

WaterAid Bangladesh

WaterAid is an international NGO, dedicated exclusively to the provision of safe domestic water, sanitation and hygiene education for the world's poorest people and works in 15 countries throughout Africa and Asia. WaterAid Bangladesh is currently expanding its rural and urban programmes in Bangladesh and it has a Programme Support Team to assist 15 local Partner NGOs in implementing these extended programmes. WaterAid Bangladesh (WAB) is now seeking highly qualified and motivated person to fill the following position:

Programme Officer- Monitoring and Evaluation

The incumbent should have a sound understanding of development practices and different monitoring methods and be independently capable of designing monitoring tools and techniques and preparing their application guidelines. S/he will contribute to the design and development of a participatory M&E system to track progress against WAB's Programme objectives, will take a lead in the development and maintenance of a programme tracking database, will engage in the regular collection and entering of M&E data and will produce periodic analytical reports to support planning and decision-making processes.

The applicants should possess the following qualifications and experiences:

- A Master's Degree in Statistics, Social Science or a related field with special training on monitoring, evaluation and research methods from any recognized university or development institute.
- Maximum limit of age is 35 years as on August 31, 2005
- At least 5 years experience of the M&E systems of grant-funded, or international NGO programmes, at least 3 years experience in design and implementation of community based participatory monitoring & evaluation systems.
- Experience in designing survey methodologies, questionnaires, and statistical sampling methods and in interviewing, data processing, data screening, analysing and reporting; design of training modules, materials & aids and familiarity with effective training facilitation methods; participatory methodologies, especially PRA/PLA
- Strong computer skills in operating Microsoft Packages and statistical programs such as SPSS.
- Excellent presentation skills & ability to produce good quality reports in both English and Bengali.

Gross salary for this position is Tk. 25,000/= (per month) excluding other facilities admissible under the rules of the organization.

If you feel that you are a competent candidate, please apply to info@wateraidbd.org, before 17:00 hrs on 1st September 2005. Also please mention (exactly) the name of the position applied for as the subject of message. A ToR for this position can be sought from info@wateraidbd.org upon request.

ONLY SHORT-LISTED CANDIDATES WILL BE CALLED FOR INTERVIEW.
ANY PERSUASION WILL BE TREATED AS DISQUALIFICATION OF THE CANDIDATE

WaterAid's vision is of a world where everyone has access to safe water and effective sanitation.

HAPPY BIRTHDAY TO OUR
SHOWON (Raquib Ahmed)

Allah bless your life, full of happiness,
Peace & overall prosperity- Dad & Mum
