**Our Choice** Gothika (IMDb rating 5.8)

On HBO, September 03 at 09:30pm Directed by Mathieu Kassovitz & Thom Oliphant

Genre: Horror/Thriller/Mystery Halle Berry, Robert Downey Jr, Penélope

A criminal psychologist awakens to find herself a patient in the same mental institution where she works, with no memory of the murder of her husband that she's accused of committing. As she tries to regain her memory and convince her co-workers of her innocence, a vengeful spirit uses her as an earthly pawn...which only further convinces all involved of both her guilt and her increasingly stead descent into madness and delusion.

The film tells the tale of young Dr Yasumoto, a recent medical graduate assigned to a rural clinic for his post-graduate medical training. Yasumoto is condescending and arrogant--he is livid that he, who aspires to join the team of physicians caring for the Japanese Shogunate, should have to train in Dr Niide's spartan clinic serving the impoverished local population.
