## Training on Building Construction for Fresh Civil Engineering Graduates

The Structural Engineers Ltd. (SEL) as a part of its Corporate Social Responsibility (CSR) is planning to launch the above programme to be conducted by highly experienced practising engineers. Under the programme participants will acquire working knowledge on various practical aspects of building construction through lectures and on-site demonstration.

Certificates will be awarded on successful completion of the training. No Course Fees will be charged. Seats are limited. Fresh Civil Engineering Graduates who want to develop their career as practising engineers and obtained their degree from any university not earlier than September, 2004 are requested to send their CVs along with a copy of graduation certificate and one copy of passport size photograph to the following address before 20th October, 2005.

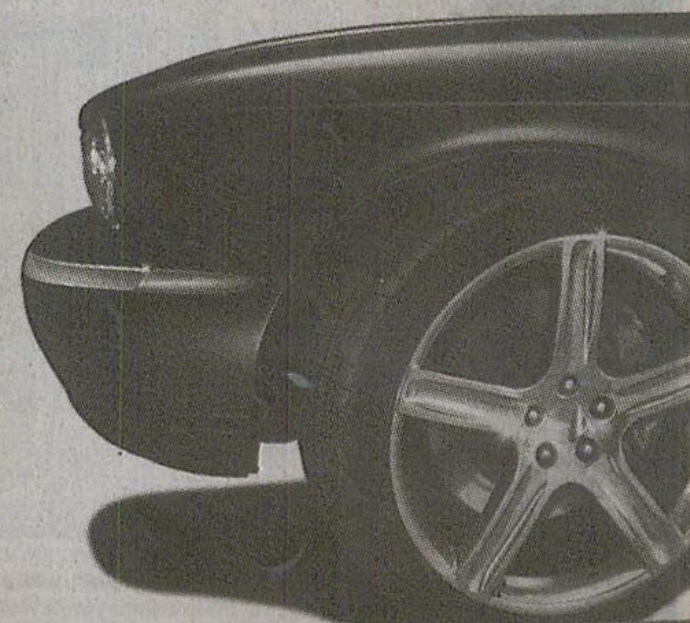

Engr. M. A. Awal  
 Managing Director
