ICDDR,B: CENTRE FOR HEALTH AND POPULATION RESEARCH

CLINICAL FELLOWSHIP PROGRAMME

ICDDR,B: Centre for Health and Population Research plans to prepare a Panel for offer of CLINICAL FELLOWSHIPS at the Clinical Research & Service Centre under the Clinical Sciences Division. Following are the particulars of the fellowships:

Objective: The objective of the fellowship programme is to provide clinical training in case management of diarrhoeal diseases and related problems as part of participant's preparation for speciality qualification in the clinical discipline.

Programme: The fellowship programme is designed to provide practical, hands-on training at the Clinical Research & Services Centre. The fellows learn through treating patients; participating at the ward rounds with their clinical supervisors and consultants Lecture sessions are also organised covering important issues related to diarrhoeal

Training: The trainees are required to perform shift duties covering days and nights; observe long duty hours; and the duties are not assigned on fixed-hourly basis.

Recognition of training: Training at the ICDDR,B is recognised by the University of Dhaka for DCH, and by the Bangladesh College of Physicians & Surgeons (BCPS) for

Requirements:

- MBBS degree recognised by the Bangladesh Medical & Dental Council.
- Completion of one year internship.

 Registration with the Bangladesh Medical and Dental Council.
- Excellent academic record. - A minimum of one year's training either in Paediatrics or in Internal Medicine recognised for pursuing post-graduate studies for DCH and FCPS.

- Bangladeshi nationality. Duration : Duration of fellowship is initially for a period of one year, extendible for another year depending on placement opportunities and evaluation of performance.

Stipend: Monthly stipend amounting to Tk.14,500.00 (Taka fourteen thousand five hundred) only and free transportation to and from the duty stations, subject to Centre's rules and availability of transports.

Evaluation & certification: The progress of the fellows will be monitored and evaluated. Written and clinical examinations may be offered at the end of the fellowships. On successful completion of training and final evaluation, the fellows will be awarded

Prospects: After completion of the programme, the fellows may apply against any other suitable positions at the Centre. However, the fellowships will neither provide guarantee nor preference for any future employment. The selected fellows will not be eligible for any other fellowship programme at the Centre.

Interested and eligible candidates may submit their online applications using ICDDR,B Website, however, the candidates may also submit their applications with bio-data detailing experience and other particulars along with a recent passport size photograph to the Advertiser Box # A-268. C/o: The Daily Star, 19, Kawran Bazar, Dhaka-1215 by December 11, 2005.

Special information

ICDDR,B is an equal opportunity employer and particularly welcomes applications from women candidates. Any persuasion will disqualify the candidature. Only short listed candidates shall be invited for the interview. Please write the position applied for at the

Pray for Samata's Executive Director for his soonest and full recovery

Md Abdul Kader, Executive Director of Samata became serious wounded on last 1 November 2005 due to a fatal and tragic road accident at Tangail and presently he is under medical treatment in National University Hospital (NUH) at Singapore. Before departure for Singapore, he was under medical treatment in ICU of CMH, Dhaka. It is mentioned that the tragic accident caused to death of his elder son and daughter, daughter in law and one of Samata's driver. We would like to express our heartfelt gratitude, acknowledgment and thank to all persons, have institutions and organizations who conveyed their condolence and

sympathy about the well being of him and his family through phone call, email, letter and hospital visit. We are also acknowledged to them who have extended their unconditional support for his better treatment.

Samata Family
