

U.K. Immigration in 25 working days for the whole Family under HSMP

As per revised service standards of the UK Government's Home Office, 50% of all new applications lodged against the HSMP can be expected to be processed in 25 working days and 90% in 70 days.

If you, at a minimum, have: (a) Bachelor's level education - UK equivalent; (b) five years graduate level work experience; and (c) earnings of UK Pounds 7,500 (or equivalent in Taka currency) from profession in Bangladesh during the last twelve months -- you and your whole family should be eligible to qualify for migration to the UK under the UK Government's **HIGHLY SKILLED MIGRANT PROGRAMME (HSMP)**.

English proficiency test is not mandatory. No job offer in the UK is required. Bachelor's degree holders from **BUET** and **BAU** meet educational criteria. Master's level degree required from most other universities in Bangladesh.

Apply before the planned revisions to the UK immigration policies including HSMP. UK Government fees may also increase. Therefore, apply by March 2006 to take advantage of the existing criteria.
