

## LIFE AT AN OLD FOLKS' HOME

**O**LD people were once the centre of our family. Today, cruel realities have changed our lifestyle. It is more true to a rapidly growing and fragmented metropolis. People do not have enough time to look after their parents. But there must be a way out. A visit to this old home at Basipuk, Gazipur rekindles our hope. The Old and Child Rehabilitation Centre, a concern of Givensee Group of Industries has come to the aid of the old folks. As all will face the reality of becoming old, one day...

**Profile** Shafiqul Alam Kiron

A professional photographer, Kiron is now working with Man Photo Agency. Born in 1968, he has special interest in acid victims and violence against women. He received several awards. He is a consultant photographer for Unicef, Dhaka since 1996.
