"Computer Science Degrees and Careers in Canada"
 Welcoming students and parents to attend our seminar

This is the BEST time to study Computer Science. Canadian and U.S. companies are experiencing a shortage of skilled I.T. labour. Current salaries in Canada for software design engineers average \$101,000/annum (up from \$80,000 in 2001). The Canadian government is calling for 100,000 additional qualified immigrants. Windsor degree holders can work two more years in Canada and apply for Permanent Residence.
