Dr. M. H. Khan Vice-Chancellor

North South University Department of Computer Science & Engineering MS in Electronic & Telecommunications Engineering

Admission

Applications are invited for admission in the Spring semester starting in January 2006

MS in Electronic and Telecommunications Engineering at North South University is a US standard 33-credit program designed with the recommendations of the ACM and the IEEE-Communications Society

- Strength of the CSE Department and Telecommunications Program:**
- Highest number of full time Ph.D. faculty in the Department (11 PhDs, mostly from North America)
 - Graduate level classes are held during afternoon and evening, for full time job holders
 - Tuition waiver/financial aid, Teaching and Research Assistantship for deserving candidates
 - NSU graduates are well placed with the major Mobile and PSTN operators and are holding faculty positions at different universities. NSU Degrees accepted globally for higher studies

- Lab & Research Facilities:**
- Advanced IT, Programming, and Networking, Telecommunications, Electronics, Fiber Optics and Wireless Communications Research Laboratories with state of the art equipment and Technologies

MS in Electronic & Telecommunication Engineering

- Application Requirements:**
- 4 year bachelors/ equivalent degree in mathematics, applied physics, engineering, computer science & engineering, or information & communication technology from accredited public or private university in Bangladesh or abroad with a grade point average of at least 3.0 (in 4.0 scale) or minimum of 2nd class in BSc-Hons/MSc, acceptable score in NSU Admission Test and Three letters of recommendation. Anyone with a score of 1100 in the Quantitative & Verbal GRE General Test is exempt from admission test.

- Degree Requirements:**
- Complete 27 credit hours of coursework (9 courses), successfully defend the Masters' Thesis (6 credits)
- Duration:**
- Minimum time to complete the degree requirements is 3 semesters
 - Residency requirement is 21 credit hours. A maximum of 9 credits are transferable from other universities

MS-ETE Admission Test: January 6, 2006

Deadline: January 4, 2006

Announcing the implementation of first-ever sponge iron manufacturing plant in Bangladesh

Jamaldy, Gazaria, Munshigonj

We are pleased to announce the commencement of commercial production of the first-ever sponge iron manufacturing plant in Bangladesh.

This is a pioneering and milestone project in the industrial history of Bangladesh. The plant will be producing high quality sponge iron, using iron ore and coal, for meeting the domestic demand of steel mills for producing quality steel products. The project has been implemented by a syndicated facility arranged by IDLC of Bangladesh Limited.

We wish to share this proud moment with all our stake-holders, including, regulators, customers, suppliers, financiers, management and staff.
