Daylong raid involves over 2,000 law enforcement men; 10 suspects held, residents asked to stay indoors

STAFF CORRESPONDENT

Joint forces threw a five-kilometre cordon around four villages in Kushtia early yesterday in the biggest-ever operation in recent times to arrest top brass of the banned Islamist militant organisation Jama'atul Mujahideen Bangladesh (JMB).

The local police at 8:00am made an announcement over loudspeakers asking people of the villages Poradaho, Khajanagar, Jagati and Koburhat to stay indoors until the operation ends at 6:00am today.

They could not retrieve any bomb or explosive or firearm during the operation but arrested 10 people on suspicion.

Over 1,000 personnel of police,

Rapid Action Battalion (Rab), Bangladesh Rifles (BDR) and ansar took part in the operation. Additional 1,000 lawmen joined them after 9:00pm. With the reinforcements, they were combing the entire area for the militants in a curfew like situation.

The issue became yesterday's talk of the country drawing public attention as rumour spread that militant kingpin Siddiquil Islam alias Bangla Bhai was arrested.

Inspector General of Police (IGP) Abdul Quayum while briefing reporters yesterday evening at the Police Headquarters, however, said none of the arrestees resembled Bangla Bhai or JMB chief Abdur Rahman.
