Aquamarine

A Fish-Out-Of-Water Comedy.

Genre: Comedy / Drama / Family
Director: Elizabeth Allen
Distributors: 20th Century Fox

Starring: Emma Roberts, Joanna 'JoJo' Levesque, Sara Paxton, Jake McDorman, Arielle Kebbel

Claire and Haley, two 13-year-old best friends, embark on the adventure of their lives when they discover a mermaid named Aquamarine in a swimming pool. Aquamarine had washed ashore after a big storm battered the small town Florida beach club where Claire lives with her grandparents. The beautiful, blue-haired, 18-year-old mermaid swam away from home just before her arranged marriage, in search of real love. If she can prove to her father that love is not a myth, he'll let her out of the underwater wedding, but he's only giving her three days. Aqua enlists the help of Claire and Haley, who are self-styled relationship experts--educated from the pages of magazines that they read and quote daily. Soon, they will learn some important lessons about the power of friendship, the true magic of love--and the importance of standing on your own two feet.
