**Computer Education for kids**

**AND**

**Letter**

from a **Daughter**

Father I want you to go to computer school and take me there I want to go there to know about computer and how to use it. Some of my friends are there I promise that I will do what ever you say and my mother says if you say me to be good I will do it.

And that's the true story of fantastic inspiration of our kids to learn computer! Now a days they are motivating their parents to take the perfect decision what the parents should do by their own! Samiha (student of Scholastica), the writer of the letter, could make understand her Dad to take the decision on her favour, but

### Could your kids be able!!

Motivate your kids to learn computer before motivated by them!

We'll bring out the Latent Creative Talents in your child. Bring them to **TechnoKids**, Pioneer in Computer Education for Children

### Admission Open

Primary (Ages 5-7) Inter (Ages 11-13)
