At least 219 leaders and activists of Jatiya Samajtantrik Dal (JSD), Pabna resigned yesterday just before the JSD Council Meeting of Pabna to be held today.

Resignation of JSD leaders marks the JSD intra party feud here that may affect the council today.

A group of agitated JSD activists called a press conference yesterday and announced their resignation.

They said outsiders are entering the party violating the party rules.

Meanwhile, Jamil Ahmed, former president of JSD Pabna District Committee, told this correspondent that most of those who claimed to have resigned are not the JSD activists at all.
