## WE MOURN

Mrs. Zubaida Ismail mother of our sponsor Director and Ex-Vice Chairman Mr. Mohammad Yousuf Ismail passed away peacefully at the age of 71 years at Z.H.Women's Sikder Medical College & Hospital (Pvt.) Ltd., Gulshan, Dhaka on Monday, the August 21, 2006 at 2:30 P.M. due to old age complication (Inna Lillaha ----- Rajeun).

She left behind two sons, four daughters, grand children and host of near and dear ones to mourn her sudden demise.

With a heavy heart we express our deep sorrow at her demise and extend our heartfelt condolence to the bereaved members of her family.

We pray to the Almighty Allah for the salvation of her departed soul and He grants her infinite mercy, eternal peace and gives the members of family the courage and fortitude to bear the irreparable loss.

The qulhkhani of late Mrs Zubaida Ismail will be held on Wednesday, August 23, 2006 after Asar Prayer at the Residence of her elder son Mr. Mohammad Yousuf Ismail, House # 6, Road # 104, Apt # D-1, Gulshan -2, Dhaka. All well wishers and relatives are requested to attend the occasion.

The Chairman, the Directors and all Employees  
of  
People's Leasing and Financial Services Limited

## VACANCY ANNOUNCEMENT

German Technical Cooperation (GTZ) is an enterprise for international development cooperation with worldwide operations. GTZ in Bangladesh is active in improving people's living conditions and prospects on a sustainable basis.

GTZ and the Chittagong City Corporation (CCC) are jointly implementing a project entitled "Multi-sectoral HIV/AIDS Program in Chittagong City" in Bangladesh. The project is being supported by the German Federal Ministry for Economic Cooperation & Development.

GTZ invites applications from suitable candidates for the position of "Communication and Institutional Strengthening Specialist" for Multi-sectoral HIV/AIDS Program in Chittagong City

Duty Station: Chittagong  
Required Qualification:

### Education and Working Experience

- Social Science or Public Health or Health Education Specialist with 6 years of professional experience in Communication Programs that include Advocacy, Social Mobilization and Behavior Change Communication
- At least three years of wide experience of working with NGOs, CBOs in the area of HIV/AIDS Prevention, Control and Support

### Professional Qualification and Proficiency

- Capable of independent work and taking own initiative
- Excellent communicator with external contacts
- Demonstrable administrative skills
- Good basic financial skills
- Excellent computer proficiency - MS Office & Internet
- Good social skills and experience in team leading and human resource management

### Language Proficiency

- Good knowledge and understanding on regional issues
- Good English-written and oral
- Knowledge of local Chittagongian language is required

### Others

- Support united response to the epidemic:
- Support increased understanding and knowledge about the program-the methodology, approach and impact- in the civil society, including governmental and non governmental organizations, institutions and donors in Chittagong
- Develop/review strategy and support the project to promote and ensure political and social leadership and enabling environment for HIV/AIDS prevention, care and support in Chittagong
- Provide information to the project on development of civil society and the issues of relevance and advice on working with local authorities, marginalized groups, social and political issues in the focal regions
- Support community and institutional strengthening:
- Facilitate development of an overall communication and public information strategy for the project
- Design and implement BCC activities/package aiming desired positive behavioral outcome among the priority groups and among the service providers using multiple communication channels
- Plan, design, facilitate required training of the relevant personnel of CCC and other organizations, CBOs, Self Help Groups to increase their understanding and to enable them to contribute in HIV/AIDS prevention, care and support programs in Chittagong; develop appropriate guidelines and manuals
- Assist the national staff of CCC and local working groups to develop and deliver models appropriate to the Chittagongian context and for shared leadership in HIV/AIDS prevention within the society to better understand and address the needs of the adolescents, parents and community
- Promote involvement of PLHAs
- Facilitate incorporation of HIV/AIDS activities in a holistic and sustained approach to CBO and Community development
- Support innovation and best practices in the field
- Maintain linkage with other component of the project and regular monitoring of activities performed by the relevant institutions
- Promote linkages and referral system between hospital, maternities and the health center network of CCC in treatment, counseling and support for PHA and the population at risk; promote public, private and NGO, CBO partnership
- Review current practices in public information and communications about HIV/AIDS training and education development in Chittagong and recommend how these can and should improve

Develop capacity of staff of CCC and local working groups to identify priorities for communications and public information in HIV/AIDS Prevention and Control and enable key individuals to take responsibility and for developing various aspects of the projects

- Prepare reports, containing summary data, reviewing overall performance against targets and making recommendations to improve program and M&E of communication and institutional development component.

Interested candidates who fulfill the requirements are requested to submit their application to the address below by 31st August 2006, mentioning the position applied for on the envelope:

Post Box 6091, Gulshan 1, Dhaka 1212, Bangladesh

## Mobile court seals off Techno Diagnostic Centre

### STAFF CORRESPONDENT

A mobile court yesterday sealed off Techno Diagnostic Centre at Mohammadpur in the city and issued an arrest warrant against its owner as its staff failed to produce DG health certificate and atomic energy commission certificate.

During a drive against unhygienic condition, the mobile court team led by Magistrate Narayan Chandra Debnath found that the centre has no skilled technicians and is using date-expired reagents. The X-ray room is also not encased.

Moreover, chickens and medicines were found in the same fridge.

The team also raided New Capital Diagnostic Complex and Unique Medical Centre in the area and fined them Tk 40,000 and Tk 20,000 respectively for failing to maintain hygienic standards.

New Capital Diagnostic Complex had neither the trade licence nor the atomic energy commission certificate. The team also found 30,000 date-expired syringes in the complex. Its X-ray room was filthy and does not have required equipment.

The Unique Medical Centre

failed to produce atomic energy commission certificate. The centre has no skilled technician and its X-ray room is not encased.

## 7 held on charge of fraud

### STAFF CORRESPONDENT

Rapid Action Battalion (Rab) yesterday arrested seven members of a gang from the city's posh area Baridhara on charge of fraud.

Rab members also seized Tk 56200, five briefcases and 11 mobile phone sets raiding their residence-cum-office in DOHS.

Rab sources said members of the gang managed to remove around Tk 19 lakh before the raid.

One of the arrestees was identified as Babul while the identities of the rest could not be known immediately.

The brief cases were full of bricks wrapped in paper.

They use bricks so that people think the brief cases are full of money, Rab sources added.

"The gang having 15 to 20 members assures their targets of making huge profits in whatever business they are involved. Once the targets are convinced they take some amount in advance," said Major Hafiz of Rab-1 who led the operation.

"The gang also trapped foreign job seekers assuring them of sending abroad and thus made crores of taka," he added.

The Rab team conducted the raid following information from a man whom the gang assured of providing money for constructing a three-storey building in exchange for Tk 2.5 lakh in advance.

One Haji Jahangir Alam is the leader of the gang.

He was arrested a year back by Rab on charge of fraud, but released on bail later.

## Swechchashebak Dal expels two

Jatiyatabadi Swechchashebak Dal, voluntary front of ruling BNP, yesterday expelled its central Vice President and City Committee President Akhtaruzzaman Akhter and City Committee Joint Secretary Rafiq Hawladar for anti-party activities, says a press release.

Their primary membership has also been cancelled.

### Language Proficiency

- Good knowledge and understanding on regional issues
- Good English-written and oral
- Knowledge of local Chittagongian language is required

### Others

#### Tracking the epidemic and national and local response to it

- Identify limitation of surveillance system and CMIS (Comprehensive Management Information System) mechanisms for controlling the HIV/AIDS and STI epidemic in Chittagong.
- Plan/design/develop surveillance and CMIS tools. These tools will be developed according to national guidelines and international standards. Close collaboration with the NASP and other UN, international and national organizations working in the area of HIV prevention support and care is required to avoid any duplication of effort. In order to achieve this the incumbent will
- Participate and promote on going researches/surveys (e.g. HIV sentinel surveillance, population based surveys, behavioral surveys)
- Help classifying local epidemic, estimating severity of HIV epidemic, defining high and low risk and protective factors
- Help estimating impact of HIV/AIDS on the society in the medium and long term
- Help mapping high transmission areas in Chittagong
- Describe roles and responsibilities of the relevant authorities
- Define the essential epidemiological study/research needs and reports and prepare detailed costed proposals
- Develop appropriate recording and reporting formats and data collection tools that are consistent with the core set of cascaded indicators of NASP
- Develop appropriate set of guidelines and manuals for the newly developed MIS and reporting system
- Support innovation and best practices in the field

#### Monitoring and Evaluation of the project

- Facilitate development of result oriented monitoring plan for the project according to GTZ principles in consultation with the PA and the project team; to execute the plan the incumbent will
- Develop data base for the project
- Describe roles and responsibilities of the relevant authorities
- Develop appropriate set of guidelines and manuals for the newly developed MIS and reporting system

#### Capacity building

- Plan and contribute in improving competencies within CCC Health Units network in terms of epidemiology, M&E, MIS on HIV/AIDS and STIs

#### Reporting

Prepare six monthly reports and when required, containing summary data, reviewing overall performance against targets and making overall program recommendations, including recommendations to improve program and M&E. Interested candidates who fulfill the requirements are requested to submit their application to the address below by 31st August 2006 mentioning the position applied for on the envelope:

Post Box 6091, Gulshan 1, Dhaka 1212, Bangladesh
