

Prof. Bazlul Mobin Chowdhury

New students at the orientation

Autumn semester orientation at IUB

FOLLOWING the traditions of Independent University Bangladesh, students greeted the new batch of students admitted in the Autumn 2006 through a colourful freshmen orientation programme at the Baridhara campus. The University offers admissions thrice in a year at the undergraduate/post graduate level in Spring (Jan-May), Summer, (Jun-July) and Autumn (Aug-Dec) semesters through admission tests.

The newly admitted students and their parents were introduced to the courses offered by its various Schools. All the degree awarding Schools of the University, namely: School of Business, School of Engineering and Computer Science, School of Environmental Science & Management and School of Liberal Arts and Science made multi-media presentations about the study programmes of the Schools and future prospects and the School facilities available for them such as Computer Labs, Libraries, Laboratories etc.

IUB Vice Chancellor Prof. Bazlul Mobin Chowdhury presided over the ceremony. Among others, it was also address by the Pro-Vice Chancellor Prof. Omar Rahman, directors and senior faculty of Schools and senior students of the University. The day's programme was conducted by Ms. Lima Chowdhury, Asst. Registrar, Admissions.

The orientation ceremony for the newly admitted students in Autumn 2006 semester of Chittagong was also held recently at IUB Chittagong campus.
