Thank You MUHAMMAD YUNUS

You have shown the world how to level the field for
the poor. And now, you have brought us into the
world's limelight.

The nation is truly grateful.

You, and only a handful of others like you,
continue to be role models in our daily struggle

- it is indeed a desolate landscape.

We now request your help in
re-building our dismantled institutions
- building them on the basis of fairness.

LET'S BUILD OUR FUTURE TOGETHER
