UK Company Requires Telesales Executive

Business to business telesales executive required for a small UK based CCTV Company. The job will involve making calls from Dhaka to businesses and public institutions in London. The telesales executive will be required to set appointments for our CCTV engineers in London.

The candidate must have excellent command of spoken British English. Experience of business to business telesales, preferably obtained abroad would be desirable. Some knowledge of CCTV systems, especially those based on IP networking would be a distinct advantage. The job would suit someone looking to work independently and having access to broadband/internet telephony. Attractive starting salary of around 50,000 BDT per month plus commission on the basis of appointments made. Please contact 01715109106 for further details.
