Agrani Bank

RE ADVERTISEMENT

Two high-profile management appointments on short-term contracts:

1: Consultant - Internal Audit

2: Consultant - Information Technology
Consolidated Salary Tk. 1,00,000 per month

Background :

Agrani Bank is implementing a long-term management plan which defines a systematic programme of actions to reform and modernise the structure and operations of the Bank. Applications are now invited from suitably qualified candidates to take a leading role in furthering these reform plans. These contract positions are based at the Head Office and require high levels of technical skill, the ability to play a major role in the reform process and a proven ability to lead organisational change. The Consultants will be expected to providing through leadership to the Bank in their relevant fields, to provide behavioural leadership by modeling behaviors appropriate to modern banking practice and to lead the change process within their sphere to activity. Job holders will be paid an attractive salary for the duration of the contract. Please pay careful attention to the specific requirements for each position and to the general conditions of recruitment below :

1: Consultant : Internal Audit Job responsibilities

The job holder will be responsible for the successful implementation of the recommendations made by the Agrani Bank Management Advisory Team, as defined in the long-term management plan of the Bank. Specifically the job-holder will work with the management of the Bank to introduce and implement industry best-practice, risk-based internal audit systems and to frame, formulate, amend and implement policies, procedures, tools & techniques and enhance employee capabilities with the aim of improving the quality of the internal audit systems. Additional responsibilities include: leading the preparation of the audit charter and audit manual; facilitating the effective functioning of the Board Audit Committee and MANCOM (management Committee for Internal control & compliance) successful implementation of action to meet the requirements of the regulatory authority (Bangladesh Bank) regarding internal control, compliance and Internal audit, providing suitable direct on and leadership to the Audit & Inspection Unit, Monitoring Unit and Compliance Unit, ensuring compliance to government Commercial Audit & Statutory Audit (CA firms). The job-holder will also be expected to provide suitable leadership and direction to help bring about effective, efficient and robust HR development and training, including the design of training programmes for internal audit & control.

Qualifications and experience requirements

Applicants should be member of ICAB. Possession of a post-graduate business qualification would be an advantage. Applicants should be able to demonstrate successful management responsibility within the functions of internal control, or compliance or internal audit. Preference will be given to applicants who have relevant experience in a banking or financial institution.

2: Consultant : Information Technology Job responsibilities

The job holder will be responsible for the successful implementation of the IT related recommendations made by the Agrani Bank Management Advisory Team, as defined in the long-term management plan of the Bank. Specifically the job-holder will work with the management of the Bank to introduce best practices in the field of information technology, systems and networking. This will include, but will not be limited to, the following activities: design and communicate and IT strategy and policy for the bank; create appropriate policies and practices and disaster planning; develop policies and procedures for our sourcing; develop and Bank-wide MIS policy. In terms of the development of the IT infrastructure and hardware the job holder will be responsible for leading the Bank's work related to the implementation of modern banking operations based on state of the art technology, implementation of an appropriate IT platform and dependable wide area network. A key goal will be the successful implementation of on-line, integrated, real-time banking systems. The job holder will also be expected to play a key role in supporting the achievement of the business goals and to optimise the policies and procedures relating to IT operations; to diagnose potential areas of IT risk/exposure; to ensure effective data management and service and ensure statutory compliance of all IT services/systems.

Qualifications and Experience requirements :

Applicants need to have a good degree in a relevant subject. As a guide, we expect the successful candidate will have a post-graduate degree in Computer Science or other relevant subject. Recent experience in IT Management within an on-line, networked business environment is essential. Preference will be given to applicants who can demonstrate success as "Head of IT", or equivalent, in a significant organization, preferably in banking or finance.

3: General terms and conditions :

- For both positions, the following terms and conditions apply:
- The consolidated salary (including all) will be Tk. 1,00,000 (One Lac Taka per month)
 - The duration of the contract is for one year, renewable for a further one year.
 - Applications will not be accepted from anyone over the age of 55 years on 31 December, 2006, since they would not be able to complete the contractual term before reaching normal retirement age.
 - Applicants should be bona fide citizens of Bangladesh and any person who has obtained third class/ division in any examination need not apply.
 - Applications will not be accepted after 31st January, 2007

4: Application procedure

Applications should be submitted to Md. Sarwar Jahan, Deputy General Manager, HR Planning Division, Human Resources Management and development Department, Agrani Bank, Head Office, Motijheel, Dhaka a detailed letter of application must be submitted which explains how the applicant fulfils the requirements in terms of relevant experience and track record of attainment. All applicants should also attach a 'bio-data' sheet which must include all of the following information: full name, nationality, father's name; mother's name; date of birth; age on 31 December 2006; permanent address, present postal address including name of own district; educational qualifications (including Division/Class, year of passing the examination, Board/University experience & other - if any), Bank / Pay order number and date.

Note on documentation any payment : All applications must include attested copies of all educational certificates, nationality certificate (issued by Union Council/Municipal Chairman / Ward Commissioner), recent character certificate issued by Gazetted Officer, three recent passport-size photographs, duly attested. An a/c payee pay order/bank draft of Tk. 1000/- (one thousand) favoring Agrani Bank (non-refundable), must be enclosed.

All applications will be acknowledged, but the Bank will only invite suitably qualified candidates for interview and testing. No payment will be made for travel or attendance at interview. Incomplete applications will not be considered and the Bank reserves the right to reject any, or all, applications or to cancel or postpone the recruitment process for any reason. Those applied earlier as per our advertisement published in the Daily Star, The Financial Express and Daily Itelafque need not to apply for the post again.
