## Technical Coordinator- Livelihoods Development

CARE-Bangladesh invites applications from qualified candidates for the above position for HIV Program to be based at Dhaka, on contract initially for one year.

**Job Summary:** The purpose of this position is to provide guidance and oversight to the HIV Program's efforts to strengthen the self-help groups (SHG) of people vulnerable to HIV and AIDS, and to support the groups in their efforts towards financial sustainability and livelihoods development. The TC-LD primarily works towards three core objectives: (i) the effectiveness and sustainability of SHGs of HIV program participants; (ii) sustainable access to financial services for self-help group members; and (iii) support to meet the livelihoods diversification and income generation needs of SHG members. The specific groups that the TC will work with include groups of sex workers (street based and brothel based), current and ex-drug users and people living with HIV. In coordination with the HIV Program Team Leader (TL) and key advisors, this position provides leadership to institutional strengthening and development of the livelihoods program for populations vulnerable to HIV and AIDS.

### Core Qualifications and Competencies:

- Degree in Economics, Development studies, Business Administration, or any related field
- Private sector experience preferably in Bangladesh. This could include employment in a self-owned business, a venture capital firm or even a bank (in the small enterprise financing division). Alternatively extensive experience of working in institutional partnerships with the private sector.
- Relevant market development experience including: value chains, microeconomic/sector development, business development services, business strategy development, product marketing, sector analysis, and training experience.
- Partnership and alliance building experience including design and delivery of collaborative projects and results.
- Strong leadership skills, gender sensitivity, and a proven track record of working successfully with marginalized communities in culturally sensitive contexts.
- Organizational Development
- The position requires entrepreneurial traits, the ability to network identify opportunities and build and maintain complex market relationships. Working experience with transferring market development skills to poor communities preferably in an urban context.
- Experience in working with large complex organizations preferably at the management level.
- Ability to tactfully facilitate sensitive situations and to work successfully with poor communities in challenging situations. Good proven understanding in Gender, Human Rights, Governance & and Rights Based Approach
- Computer literacy and ability to use standard software (MS Word, Excel, database, Power Point) required.
- Excellent written and spoken communication and interpersonal skills. Ability to handle multiple tasks, and work as a team member.

**Compensation:** Gross Salary for the position is approximately Tk.40,000 per month, plus other admissible benefits as per organizational policy.

Interested candidates who fulfill the above requirements are requested to drop or mail their CVs (with cover letter, recent passport size photograph, and names/addresses of two non-relative referees) at: CARE-Bangladesh, 20-21, Kawan Bazar, Dhaka by addressing Section Manager-HRM, HRD&M Department on or before January 28, 2007

**Note:** ☐ Women are particularly encouraged to apply ☐ Any persuasion will disqualify the candidates ☐ Internal and external applicants shall be treated equally in the entire selection process ☐ Applicants who have relatives in CARE are discouraged to apply ☐ Only short listed candidates shall be invited for the interview ☐ Please write the position applied for at the top right hand corner of the envelope.
