 Transition: 25 Jan 2001

As long as the North Star  
 Will shine on the horizon  
 Long as the minstrel will sing  
 The song forlorn  
 Long as river gorges will flow  
 On the mighty water and  
 The peasantry will hoe  
 In their joy & woe  
 We shall remember you.

Suraiya, Binni, Nikita

**The Linde Group is the world leading industrial gas and engineering company with more than 53,000 employees working in about 70 countries on all continents with gas and engineering related sales of approximately €12.7 billion**

BOC Bangladesh Ltd. a member of The BOC Group (The BOC Group is now owned by The Linde Group through a recent merger) has the following opportunities available for talented, dynamic and self motivated candidates to take on the career challenges.

**MANAGER, PLANNING & CONTROLLING**

Reporting to the Finance Director, you will be primarily responsible in the provision of management reporting and analysis to the Country line managers for business decision support and to Group for various reports and analysis. You will also be required to provide business decision support for investment projects / capital expenditures opportunities and other specific initiatives. These would principally require you to: drive the annual planning process and target setting for the Country including preparation of planned Trading & Profit & Loss Account, Balance Sheet; direct all monthly closing activities relating to Planning and Controlling ensuring accurate and timely Management Information Reports (MIS) and Group reports; review, assess and challenge actual performance and variances against plan; review investment projects / capital expenditure opportunities in the country; provide leadership role in driving strategic plan process including development of action plans and implementation of tracking procedures embedding best practices.

Based at Corporate office of the Company, you will be required to play a vital role in the planning process and perform any other jobs assigned to you time to time.

You should be an MBA, major in Finance / CA or CMA having good academic track record and 8-10 years of relevant experience with large multinational organization preferably in SAP or any other ERP environment.

**ACCOUNTANT, TREASURY & ACCOUNTS PAYABLE**

Reporting to the Finance Manager, you will be responsible for efficient management of fund and payments. You will be required to confirm & monitor timely processing of all payments through SAP and ensure monthly bank reconciliation of all the payment and collection are done correctly. You will assist to administer petty cash payments of all location of the company, comply with policy & procedures and tax regulations related to your area of function. You will also ensure that cash and bank account related data are available and uploaded to general ledger timely and completeness of cash/bank account related data in general ledger. At all times you will ensure and promote internal control aspects related to your function.

Based at Corporate office of the Company, you will be required to play an important role in treasury and accounts payable management process and perform any other jobs assigned to you from time to time.

You should be a recently qualified CA or finalist having served Article of Clerkship with one of the top firms and having good academic track record and two years of relevant experience preferably with large multinational organization in SAP or any other ERP environment.

**ACCOUNTANT, REVENUE MANAGEMENT**

Reporting to the In-charge of Revenue Management, you will be required to manage Sales and VAT accounting in compliance with rules & regulations and attend hearings against appeals. Maintain liaison with legislative officials and implement changes in VAT rules. You will ensure recording of cylinder deposits and updates in the register monthly and confirm return of cylinders where before refund of the security deposit to customer. You will also reconcile GL balance of cylinder security deposit with CDR module, process sales information in SAP and provide sales related other information as and when required. You will also be required to assist credit control activities of the Company. At all times you will ensure and promote internal control aspects related to your functions.

Based at Corporate office of the Company, you will be required to play an important role in revenue management process and perform any other jobs assigned to you from time to time.

You should be a CA Intermediate having good academic track record and two years of relevant experience preferably with large multinational organization in SAP or any other ERP environment. Training with top CA firm would be an added advantage.

Candidates for the above positions must have proficiency in both Bangla & English with computer literacy and having required behavioral competencies with awareness on safety, health and environment.

We prefer that you apply online but, if you are having difficulties, then hard copies mailed to HR Department, Corporate Office, 285 Tejgaon I/A, Dhaka-1208 will also be accepted.
