A Different Side of School

College Rules

On the first day of college, the dean addressed the students, pointing out some of the rules: "The female dormitory will be out-of-bounds for all male students, and the male dormitory to the female students. Anybody caught breaking this rule will be fined $20 the first time. Anybody caught breaking this rule the second time will be fined $60. Being caught a third time will cost you $180. Are there any questions?"

"How much for a season pass?"

Get Out of School

The telephone rings in the principal's office at a school.

"Hello, this is Dunn Elementary," answers the principal.

"Hi. Jimmy won't be able to come to school all next week," replies the voice.

"Well, what seems to be the problem with him?"

"We are all going on a family vacation," says the voice, "I hope it is all right."

"I guess that would be fine," says the principal. "May I ask who is calling?"

"Sure. This is my father!"

Professor

A grad student, a post-doc, and a professor are walking through a city park and they find an antique oil lamp. They rub it and a genie comes out in a puff of smoke.

The genie says, "I usually only grant three wishes, so I'll give each of you just one."

"Me first! Me first!" says the grad student. "I want to be in the Bahamas, driving a speedboat with a gorgeous woman who sunbathes topless." Poof! He's gone.

"Me next! Me next!" says the post-doc. "I want to be in Hawaii, relaxing on the beach with a professional hula dancer on one side and a Mai Tai on the other." Poof! He's gone.

"You're next," the genie says to the professor.

The professor says, "I want those guys back in the lab after lunch."

The Student

A student comes to a young professor's office hours. She glances down the hall, closes his door, and kneels pleadingly. "I would do anything to pass this exam."

She leans closer to him, flips back her hair, gazes meaningfully into his eyes. "I mean," she whispers, "I would do anything."

He returns her gaze. "Anything?"

"Anything."

His voice turns to a whisper. "Would you... study?"

University Drive

It had been snowing for hours when an announcement came over the high school intercom: "Will the students who are parked on University Drive please move their cars so that we may begin plowing."

Twenty minutes later there was another announcement: "Will the 1200 students who went to move 26 cars, return to class."
