## Government of the People's Republic of Bangladesh

Office of the Superintending Engineer, RHD  
Bridge Management Wing  
Sarak Bhaban, Ramna, Dhaka-1000

### Request for Expression of Interest (EOI)

Ref No: 1-8/07-508-B.M.W.

Date: 28-01-2007

The Government of the People's Republic of Bangladesh (GOB) will provide fund from revenue budget towards the cost of consultancy services for Detailed Technical Economic Feasibility Study of 3rd Shitalakhyia Bridge at Bandar, Narayanganj by engaging consulting firm during the year 2006-2007. It is likely that the Kuwait Fund Arab Economic Development (KFAED) will fund the construction project in future. The services includes collecting data, traffic counts, topographic survey, hydraulic study of the rivers, geotechnical studies and investigation, setting probable bridge locations, preliminary design, techno economic analysis, navigational aspects, environmental issue resettlement etc., along with the general requirements for the preparation of a feasibility study for KFAED. The Additional Chief Engineer (RHD), Bridge Management Wing now invites eligible firms to indicate their interest in providing the services. The firm must have previous experience of rendering consultancy services for feasibility study and preliminary engineering design of at least 1 (one) two lane highway bridge not less than 1000m on rivers gap within last 10 years. Interested consulting firms are requested to provide information indicating that they are qualified to perform the service. The information for pre-qualifications should be provided on: brochures, description of similar assignments, experience in similar study, availability of appropriate professionals and qualifications and experience among staff etc.

The interested firm may associate with another firm to enhance their qualifications in form of Joint Venture but total number of firms in this association should not be more than 2 (two). The lead firm must have experience of feasibility study and preliminary engineering design of at least one two lane highway bridge not less than 1000m in length within last 10 (ten) years and the associate firm must have previous experience of rendering consultancy services of similar nature for any road sector project within last 5 (five) years.

Following PPR-2003, the technical & financial proposal submitted by the short-listed firm will be evaluated for selection of consultant for the services using the Quality and Cost Based Selection (QCBS) method. Tentative date to commence the service is June 2007.

Expression of Interest will be received by the office of the Additional Chief Engineer (RHD), Bridge Management Wing and be clearly marked "Request for Expressions of Interest for Short-listing Selection of Consulting Firm" within 4:00pm on 06-03-2007.

The procuring entity reserves the right to accept or reject all proposals without assigning any reason.

Md. Mominul Huq  
Additional Chief Engineer (RHD)  
Bridge Management Wing  
Sarak Bhaban, Ramna, Dhaka
