Technical and project management specialists

An international development consulting firm seeks specialists in the following areas for an anticipated USAID-funded health project in Bangladesh. Please note that fluency in English is required for all positions.

- **Fundraising specialist:** 10 years experience working in the area of fundraising, specifically proposal development; understanding and knowledge of the USAID proposal solicitation and response process; experience networking with the private sector to establish partnerships.
- **Communications specialist:** Bachelor's degree in journalism, English, or other relevant field; 5 years of experience in project reporting and monitoring and evaluation of projects; knowledge and understanding of relevant USAID project reporting requirements; experience in the health sector preferred.
- **MIS specialist:** 5 years experience in data management and database development; experience developing information systems; familiarity with data collection/statistical software and associated reporting.
- **Grants specialist:** 5 years of experience managing grants for USAID projects; good understanding of donor and grant recipient organizations, preferably health organizations; familiarity with USAID regulations.
- **Chief accountant:** 5 years experience managing and maintaining accounting and bookkeeping systems for USAID projects; familiarity with USAID reporting requirements.
- **Office manager:** Bachelor's degree in management required; 5 years of progressive field team management; knowledge of USAID contract regulations; advanced computer skills, particularly in Microsoft Office.
- **Organizational development specialist:** 5 years of experience working in organizational development; familiarity with health programs and organizations; experience with social franchising preferred.
- **Market research specialist:** Bachelor's degree in business, management or research preferred; 5 years of experience working in business planning; experience conducting and reporting market research particularly in the private sector; familiarity with health programs.
- **Operations research specialist:** advanced degree in research or a relevant field; 5 years of experience in health or social science research; experience building research capacity in local partner organizations required; knowledge of primary care and basic health services delivery preferred.
- **Mass media specialist:** Bachelor's degree in marketing or communications preferred; 5 years experience developing and conducting mass media campaigns with a focus on IPC; familiarity with branding and services promotion; experience with social franchising preferred.
- **Franchise operations officer:** insert language from Michael Amies' email.
- **Finance officer:** 5 years experience managing and overseeing accounting and bookkeeping systems in a business setting; proficiency in accounting systems software and reporting.
- **Site/building officer:** Bachelor's degree in business or management preferred; 5 years experience in developing and maintaining standards and ensuring and overseeing compliance with those standards on a site-by-site basis; experience with franchising preferred.
- **Training specialist:** 5 years of experience developing and conducting trainings across wide range of sectors; knowledge of training methodologies/approaches and their application; good interpersonal, communications, and organizational skills required.
- **Field support & monitoring specialist:** Bachelor's degree in business or management preferred; 5 years experience conducting site visits to ensure compliance with project standards; knowledge of database management systems for monitoring and evaluation; ability and willingness to travel to the field regularly.
- **Communications officer:** 5 years of experience developing outreach messages, activities and materials for USAID program interventions, especially at the community level; experience in the health sector preferred.
- **Procurement specialist:** Bachelor's degree in business, management, marketing or commerce preferred. 5 years of experience procuring commodities and overseeing logistics; experience managing and maintaining database to track and report on commodities.

Application instructions: please send electronic submissions to franchhealth@yahoo.com by February 11, 2007. No telephone inquiries, please. Finalists will be contacted.

Emerging Markets Group Seeks Technical Staff for a Health Project in Bangladesh

Emerging Markets Group (EMG) provides development consultant services under donor-funded initiatives such as USAID, DFID, CIDA, MCC, The European Commission, the World Bank and the Global Fund to Fight AIDS, Tuberculosis and Malaria. Based in our corporate offices in Brussels, London, and Washington DC, and in project sites globally, our professionals are committed to excellent client service, sustainable development impact, and to improving peoples' lives. EMG employs more than 300 professionals in over 60 countries globally. Our professionals have lived or worked in over 75 countries and speak more than 30 languages.

Emerging Markets Group is anticipating a USAID funded health project in Bangladesh to build the capacity of NGOs to deliver quality health services in a sustainable manner using innovative franchising approaches.

Emerging Markets Group is seeking professionals with expertise in the following areas:

Franchise Operations

Successful candidates will lead project efforts related to the establishment and development of a successful franchising system for the network of NGOs under the Smiling Sun brand. Qualified staff will be capable of designing targeted technical assistance in healthcare franchising, with a focus on NGO sustainability, governance, financial management, service expansion, revenue generation, marketing, and branding.

Service Delivery

Successful candidates will have specialized training and experience in improving the quality of and access to clinical health services provided by NGO clinics. Staff will manage project activities related to clinical training, implementation of service guidelines and standards, and quality improvement efforts. Experience implementing innovative approaches to service expansion for revenue generation is preferred.

Public-Private Partnerships

Successful candidates in this area will advance the project's efforts in establishing strategic partnerships with private for-profit companies, public sector institutions, international donors, and other potential supporters or business partners of the Smiling Sun Franchising network.

Compliance/ M&E

Successful candidates will lead project efforts to ensure compliance with priority donor, national, and international policies. Staff will manage project activities related to monitoring and evaluation, anticorruption, transparency, gender and other key areas of interest. Staff will be responsible for ensuring compliance with all client policies related to the provision of services under US government funding.

Additionally, EMG seeks experienced candidates to serve in a variety of critical administrative and financial positions, such as grants manager, bookkeeper, financial manager, and office manager. Prior experience working on USAID-funded projects preferred.

Please send cvs to recruitmentHealth@emergingmarketsgroup.com with "DAILYSTAR" in the subject line for prompt consideration. Please submit CVs by no later than February 13, 2007. C-278

Employment Opportunity

BRAC Microfinance Program invites applications from suitable candidates for the following position :

Position: Financial Analyst
Requirements: BBA/MBA preferably from IBA/ North South University, with O/A level and excellent academic background
Strong analytical ability
Good command over written and spoken English
Computer literacy is a must
Age: Maximum 35 years
Salary: Negotiable [Those who are currently drawing less than Tk.30,000/- per month need not to apply]
Location: Based in Head Office of BRAC

Potential candidates satisfying the job requirements are invited to apply with detailed Résumé, two recent passport size photographs and contact telephone number[s] along with a cover letter outlining the suitability for the position to Director Human Resources, BRAC-HRD, BRAC Centre, 75 Mohakhali, Dhaka-1212 within February 20, 2007. Please mention the position on top of the application and envelope. Only short listed candidates will be contacted.

Women and people from ethnic minorities and different abilities are encouraged to apply
