CAREER OPPORTUNITY

The Embassy of the United States of America is looking for an **Economic/Commercial Specialist** for its Economic/Commercial Section.

The person will be responsible for Commercial Services, Data Analysis and Economic Reporting, Trade Promotion and Advocacy on behalf of the U.S. Government and U.S. commercial interests.

QUALIFICATIONS REQUIRED:

- Graduation with a B.Com. or B.B.A. from a recognized University is a minimum qualification. Completion of an M.B.A. or M.S. in Economics is highly desirable.
- 8 to 10 years experience involving management and economic or commercial analysis.
- In-depth knowledge of American and Bangladeshi business structure and practice.
- Fluent spoken and written ability in both English and in Bangla.

Please find the full job announcement on our website at: dhaka.usembassy.gov All applicant, must complete the Embassy prescribed job application form and FAX it with contact telephone number to the Human Resources Office at FAX # 9887825 no later than **COB: Open until filled (The first cut off will be February 20, 2007).**

"Applicants who responded earlier need not reapply"

The Embassy prescribed job application forms are available at the U.S. Embassy Gate 1, Madani Avenue, Baridhara, Dhaka during office hours and are also available on our website.

TRAINING OPPORTUNITY FOR MEDICAL GRADUATES ON REFRACTION AND BASIC EYE CARE

The Ophthalmological Society of Bangladesh (OSB) is going to conduct a two-month intensive training course on **REFRACTION AND BASIC EYE CARE** for the Medical graduates who are working in upazilas (Govt. & Non-Govt.). The training program will address the assessment of refractive problems and treatment, primarily for the rural people.

This two-month comprehensive course will enable participants to learn modern management and treatment of various refractive problems and basic eye care. Reputed ophthalmologists of the country will conduct the sessions and the program will simultaneously run in different medical colleges and institutions in different districts.

This excellent training is first ever in Bangladesh and lots of potential working opportunities are there for the successful candidates.

Eligibility for application:

- MBBS from a recognized institution
- At least 2 years experience after graduation
- Demonstrated evidence of working at upazila level

Please Note:

- Age limit is not more than 50 years
- Preference will be given to the private candidates having their working and practicing station at upazila level
- Should be a full-time trainee during the course period

The course will commence on **March 10, 2007** and the last date for application is **February 25, 2007**. Only short-listed candidates will be informed on time. Candidates will be selected on a competitive basis through interview process.

There will be several full and partial scholarships (upto a level of Tk. 20,000/-) for the course period; and full tuition fee waiver (Tk. 15,000/-) for deserving candidates. Upon completion of the course, participants will be provided with necessary basic eye care equipments which will enable them to practice refraction and basic eye care independently.

Application forms for admission, scholarship and tuition fee waiver and prospectus are available at the office of the OSB Eye Hospital, Plot # 7/A, Road # 1, Mirpur Section 2, Dhaka 1216 (Phone : 8057067, 9003088) on all office days between 9 am-2pm.

Prof. M. A. Hadi Faquir
President, OSB

The project is supported by ORBIS International
