Valediction'06 in BAD

Recently Valediction'06 of the 13th batch of Business Administration Discipline, Khulna University was held on the campus amidst nostalgic recollection.

It was the most significant day for the students who were passing out. The theme of this year's valediction was ' We were together and our souls will be together'. The day started with a formal discussion with Prof. Feroz Ahmed as the Chief Guest and Mr. Md. Nur Alam as the Chairman. Mr. A. T. M. Jahiruddin, Associate Professor, talked about career guidelines for the students. In the second session of the day, the existing students presented the passing out students something different. All those oddities faced and shared by the 13th batch students in their university life were recalled and this session turned out to be a never-ending source of fun.

The final session of the day was a wonderful unplugged concert performed by the students. The love we hold in our hearts for the 13th batch students will never diminish, and the memories we crafted together will never subside.
