Looking for an expert Research Personality/ Organisation to conduct a study in the Chittagong Hill Tracts

WaterAid Bangladesh, an International NGO dedicated exclusively to promote safe domestic water, sanitation and hygiene education services to the poorest people, is seeking proposals from individuals or organisations to undertake a study: 'Assessment of natural springs in the CHT, the underlying causes for their deterioration and the effects on drinking water and CHT people's lives'.

The study will investigate the underlying causes for the springs drying up, the subsequent effects on water technologies and possible methods for alleviating and restoring the springs. Information gathered will be used to support the Community Based Water Resource Management and advocacy issues for WaterAid Bangladesh.

The individual/ organisation should have excellent research skills and experience in the Chittagong Hill Tracts region and should have evidence of conducting research on environmental issues, water, sanitation and the lives of the indigenous people living in the CHT. In-depth understanding and skill about PRA, geo-hydrology and forestry will be required for the study.

The interested applicants are requested to collect the TOR from Head of HR, WaterAid Bangladesh through e-mail: luna@wateraidbd.org by 25 February 2007 and submit the proposal by 14 March 2007.

NOTICE OF DISCLAIMER

Public in general is hereby informed that we, Cosmopolitan Industries Pvt. Ltd. (CIPL), part of EPIC Group, had awarded a contract on turnkey basis to M/s. FE & A Ltd., House No. 17/A, Road No. 126, Gulshan-1, Dhaka, for construction of our factory building at Ashulia, Savar, Dhaka. In terms of contract, they were required to arrange all material & labour for our project at their own cost. CIPL has already paid much more than the contracted amount to FE & A. However, they could not finish project work within the time frame of the contract. Consequently, CIPL suffered huge losses. The company is already into litigation with them for recovery of losses suffered due to delay, incomplete and defective work and excess amount paid to them. It has come to our notice that M/s. FE & A had procured lot of construction material on credit on the strength of EPIC group reputation but failed to pay the suppliers even though they collected full cost of material from us. They have also been making false promises to the material suppliers that as soon as they get money from CIPL, they will pay off the suppliers dues. This notice of disclaimer is therefore issued in public interest to caution suppliers against any such propaganda. They must settle all their dues directly with FE & A. Also, CIPL will not be responsible nor shall it entertain any claim for material supplied to FE & A or any other party if it is not supported by duly authorized CIPL Purchase Orders.
