**ERICSSON**  
TAKING YOU FORWARD

Ericsson is a world-leading provider of telecommunications equipment and related services to mobile and fixed network operators globally. Over 1,000 networks in 140 countries utilize our network equipment and 40 percent of all mobile calls are made through our systems. Ericsson firmly believes that communications should be available and beneficial to all.

Ericsson in Bangladesh has achieved a strong market position with all GSM operators and the fixed-line operator BTTL. We believe that the telecom market will continue to have strong growth in Bangladesh. In order to maximize the potential of this market in Bangladesh; we need committed & performance driven individuals to be part of our exciting team and are looking for candidates for the following positions:

**Key Account Management****Account Manager:**

We are looking for an experienced professional who would report to the Account Director and be responsible for:

- Promoting the business and ensuring customer satisfaction for specific accounts
- Focusing on business opportunities and achieving optimal business results
- Holding high value contract negotiations and making smart offers to customer
- Establishing long-term relationships with customers for business continuity
- Assisting the key account organization with consultative selling

**You should have:**

- A degree in Engineering from any reputed university
- 4 - 5 years experience in product management or other technical fields in telecommunication
- Excellent communication, negotiation & selling skills
- Excellent presentation and influencing skills
- The ability to prioritize and manage multiple assignments
- GSM Technology experience would be an added advantage
