VACANCY ANNOUNCEMENT

ICDDR,B invites applications from suitable candidates for the position of Head, Clinical Microbiology with the Clinical Laboratory Services under the Laboratory Sciences Division in Dhaka. Appointment will be made on a fixed-term basis initially for about 2 years, which may be renewable depending on performance and availability of funds. Higher starting salary may be given to a deserving candidate.

Salary range: Tk.8,32,290/- 34,250/- 12,42,910/- per annum inclusive of house rent and conveyance allowances with other admissible benefits.

Other benefits: 14.8% retirement fund contribution by the Centre, Tk.1,420/- children allowance per month per child for up to two children, free medical facilities for dependent spouse and two children, free group life insurance, and subsidized transport, canteen, daycare facilities.

Job Profile

• Performs independently, coordinates and supervises the overall activities and assumes responsibility for the quality and productivity of diagnostic laboratory procedures carried out in the Clinical Microbiology Laboratory for patients of diarrhoeal diseases, urinary tract, respiratory tract and reproductive tract infections and also for various research projects.

• Must understand the objectives, the general methodology and detail procedures of research protocols in order to assist and coordinate scientific research projects of the Scientists of the Laboratory Sciences Division and other Divisions of the centre in carrying out the experimental works required by the research protocols.

• Keep update on latest development in microbial isolation and identification techniques and evaluate new methods to adopt those in the lab after determining the sensitivity and specificity of the tests.

• Trains the junior laboratory staff, supervises and controls the laboratory tests/assays performed by the junior laboratory staff for the diagnostic and research purposes. Participates in the Centre's training program as a faculty member to national and international training courses.

- Maintains, calibrates and standardizes all equipment in the laboratory in order to keep them in proper working condition.
- Performs any other related works or functions as and when required by the Head, Clinical Lab Services and Director, LSD.

Requirements

- MSc in Microbiology with Ph.D or MBBS with post graduate degree/Diploma in Microbiology (M.Phil or Ph.D).
- 10 years experience in case of MSc with PhD or MBBS with M.Phil/PhD in relevant fields.
- Must have a diverse knowledge of the clinical microbiological techniques required to perform for this position, and also must have knowledge of handling computers including Lab MIS.
- Supervisory and management skills to run the laboratory independently and efficient in techniques of microbial isolation, identification and antimicrobial susceptibility testing procedures and interpret microbial data for physicians use and organize the data for scientific reports and write manuscripts.
- Able to keep update herself/himself on the latest development of advanced technologies in the diagnostic and research microbial fields. Must have a leadership capability.
- Excellent interpersonal skills are mandatory.
- Exceptional skills in written and verbal English and Bangla language are desirable.
- Able to work in multicultural work environment and a team player.
- Age not over 50 years.

The interested candidates who fulfill the requirements should submit their online applications using ICDDR,B website; however, the candidates (internal candidates must mention their ID #s) may also submit their applications with bio-data detailing experience and other particulars along with a recent passport size photograph to Advertiser, Box No. A-46, C/o: The Daily Star, 19 Kawran Bazar, Dhaka-1215 by March 29, 2007. The internal candidates must mention their ID#s in the applications.

Special information
ICDDR,B is an equal opportunity employer and particularly welcomes applications from women candidates. Any persuasion will disqualify the candidate. Only short listed candidates shall be invited for the interview. Please write the position applied for at the top of the envelope. Test and interview will be held in Dhaka.

Visit ICDDR,B website on: www.icddr.org

KNOWLEDGE FOR

RMMRU-DRC FELLOWSHIP ON MIGRATION
