

In the Pink of Health. In Singapore.

Singapore offers so much more than just the tropical sun to put the colour in your cheeks. Boasting a healthcare system ranked among the best in the world, Singapore offers a complete range of healthcare services, ranging from health-screening to major organ transplant surgery to meet your every medical need.

Come find out more about what SingaporeMedicine can offer you at the MedExpo 2006 in the Dhaka Sheraton Hotel, Winter Garden Hall, booth 46 - 49 and 54 - 57 from 22 to 24 March 2007. Doctors from Singapore's leading healthcare providers - National Healthcare Group, Mount Alvernia Hospital, Parkway Group Healthcare, Raffles Medical Group, Singapore Health Services including KK Women's and Children's Hospital, and the West Clinic - will be present at our booth. **Sunny Singapore - the place to be, to be in the pink of health.**
