Carnegie Mellon University

AusAID Scholarships

Commencing January 2008 in Adelaide, Australia

Carnegie Mellon is a top ranking U.S. university. It has been officially named one of the "New Ivies" defined by exceptional academic programs and stature matching the Ivy League and traditional U.S. academic powerhouses. The university is consistently ranked among the top universities in the world by U.S. News & World Report - it is the only top 25 university founded in the last century.

In 2006 the university opened the Carnegie Mellon Heinz School, in Adelaide, Australia. This exceptional institution is the first foreign university campus on Australian soil.

The Heinz School is consistently ranked among the top ten public policy programs in the U.S. and is ranked first in information technology.

The Commonwealth Government of Australia provides funding for a limited number of Carnegie Mellon University-AusAID Scholarships to eligible applicants for the following Masters level programs in Adelaide:

- Master of Science in Public Policy and Management (MSPMP)**
An innovative and distinguished graduate program that prepares students to advance the public interest by developing exceptional analytic, quantitative and technical skills.
- Master of Science in Information Technology (MSIT)**
A unique graduate program offering a mix of technology, management and strategy courses to provide students with an understanding of information technology from both operational and strategic perspectives.

The programs are delivered in three semesters over 12 months, full time.

Scholarship recipients will gain knowledge and skills that they can apply to the development of their home country upon completion of their study. Scholarships include full tuition, return economy airfares, a contribution to living expenses and basic medical insurance.

Scholarship applicants must meet AusAID's eligibility criteria and the minimum requirements for admission to Carnegie Mellon University:

- A Bachelor's degree and 3 years of relevant professional experience
- A current Academic IELTS test score which meets the University's minimum requirements (6.5 overall or higher).

Applications for the January 2008 intake are now open. Go to www.heinz.cmu.edu/australia and complete your application online. Information about the scholarships and degree programs can be found on the website or by contacting hazadmit-australia@andrew.cmu.edu. Applications close 30 May 2007.

HYSAWA Project

Local Government Support Unit (LGSU)

DPHE Bhaban (Ground Floor), 14 Shaheed Capt. Mansur Ali Sarani, Kakrail, Dhaka-1000

Request for Expression of Interest from Organizations for Baseline Survey

Under the Water Supply and Sanitation Sector Support Programme, Phase II (WSSPS-II) agreed between the Governments of Bangladesh and Denmark, the HYSAWA project is being implemented from 2006 to 2010. A baseline survey is to be carried out in 25 Upazilas and about 200 Unions of three districts of Rajshahi, Chapai Nawabganj and Naogaon.

The Baseline survey aims to provide a detailed account of the benchmark information on hygiene, water supply and sanitation status of the participating Unions and on capacities of Union Parishads and other local government institutions for future planning, implementation, monitoring and evaluation of sub-projects under the HYSAWA Project.

Interested organizations/firms, who have experience and expertise in conducting baseline surveys in rural Bangladesh related to hygiene, water supply and sanitation, may submit their Expression of Interest (EoI) to Project Director, HYSAWA Project, LGSU, Ground Floor, DPHE Bhaban, Kakrail, Dhaka on or before 18th April 2007. Interested parties may obtain the Terms of Reference for the baseline survey from the above office. The ToR can also be downloaded from www.lgd.gov.bd. The procurement of the services will be based on Danida Rules. Only short listed organizations/firms will be requested to submit their technical and financial proposals.

Water Supply and Sanitation Component

HYSAWA Project

Local Government Support Unit (LGSU)

DPHE Bhaban (Ground Floor), 14 Shaheed Capt. Mansur Ali Sarani, Kakrail, Dhaka-1000

Request for Expression of Interest from organizations/firms for working as Support Organizations in Northwest Districts

Under the Water Supply and Sanitation Sector Support Programme, Phase II (WSSPS-II) agreed between the Governments of Bangladesh and Denmark, the Hygiene, Water Supply and Sanitation (HYSAWA) Project is being implemented from 2006 to 2010.

A Support Organisation (SO) will be engaged by LGSU in each of the three districts (Rajshahi, Chapai Nawabganj and Naogaon) to support the Union Parishads in the management of the project activities. Given the very limited in-house technical and project management capacity of the UPs, they will need assistance from the SO in community scheme preparation, processing and managing their implementation. The SO will be a mobile unit traveling from UP to UP with the capacity support package. The SO will have a base office at Upazila headquarters and a coordinating office at district level, covering one district. The SO will need to have social as well as technical and project management skills. As an example, a National/ Regional NGO and an engineering consulting firm could jointly make a consortium.

Interested organizations/firms, who have experience and expertise in working in rural Bangladesh related to hygiene, water supply and sanitation, may submit their Expression of Interest (EoI) to Project Director, HYSAWA Project, LGSU, Ground Floor, DPHE Bhaban, Kakrail, Dhaka on or before 18th April 2007. Interested parties may obtain the Terms of Reference for the Support Organization from the above office. The ToR can also be downloaded from www.lgd.gov.bd. The procurement of the services will be based on Danida Rules. Only short listed organizations/firm will be requested to submit their technical and financial proposals.

Vacancies

Policy and Planning Support Unit

Ministry of Fisheries and Livestock

The Policy and Planning Support Unit in the Ministry of Fisheries and Livestock (MOFL), Bangladesh Secretariat, is recruiting national staff for three long-term positions in connection with the start-up of the Agricultural Sector Programme Support - Phase II (2006-2011), supported by the Danish International Development Assistance (Danida). The overall objective of the Sector Programme is to support improved living conditions of poor marginal and small farmer households through enhanced, integrated and sustainable agricultural productivity.

- 1. National Adviser**
The National Adviser will assist MOFL's Planning and Evaluation Wing in implementing policy and planning related functions. This includes: supervising the daily management of the support unit; recruiting and managing short-term consultants; supporting sector studies and reviews; supervising the on-going establishment of a management information system in MOFL; managing support to human resource development and capacity building; work plan and report writing; preparation and facilitation of meetings and workshops; liaising with relevant partners. The National Adviser reports to the Joint Chief, MOFL (who is the Project Director) and the Senior Adviser, Danida.
- 2. Accounts-cum-Office Manager**
The position requires: Undergraduate and Postgraduate degrees preferably with PhD in Animal/Fisheries Science and/or Agricultural Economics/Development Economics; at least 10 years of experience (including 3-5 years at Senior level) in development planning and policy formulation and implementation in Bangladesh and/or other countries; experience in training programme development and management; strong analytical and communication skills; proven ability to write policy papers in both English and Bengali; team working skills and a good team player; computer proficiency; MIS experience will be considered a distinct advantage.
- 3. Information Technology Officer**
The Information Technology Officer reports to the National Adviser and to senior management. He/she will be responsible for: computer hardware and software operations and maintenance; software development; assisting in the on-going establishment of a management information system (MIS) in MOFL; assisting in the implementation of related training activities; assisting the accounts section in related procurements; assisting in daily office management.

The position requires: A Bachelor's degree in Computer Science from a recognized university or a closely related field; proven experience in Computer Hardware and Software operations and maintenance; previous MIS experience will be considered a distinct advantage; good communication skills and command of English; a positive team player with a high level of integrity.

Salary and other benefits for all three positions will be provided in accordance with Danida's service rules for locally recruited staff.

Applications, including full CV, copies of relevant certificates, and clearly stating the name of the position on the envelope or in the email subject line, may be submitted to: PPSU-MOFL, PO Box 433, Dhaka 1000, or to ppsu-mofl@accessel.net

The application deadline for all three positions is 12 April 2007.
