The next generation Diplomats 5-8

Nine people from Bangladesh armed with a limited knowledge of Chinese and the inability to be understood in sign language invaded china. What would ensue would be eight days of trying to play charades, at which I might add we were quite unsuccessful.

A delightful weekend amidst earthly wonders 9

The entrance of 'Madhabkunda' is high above ground level and subsequently allows onlookers to have an up-close view of the neighbouring 'Khashia' community. They masterfully build their houses on bamboo poles, keeping themselves alleviated from the unprotected ness of the jungle.

A Visit to Shitakunda 28

Primary education is a basic right. To ensure this right, YPSA is conducting an exceptional program. It has set up a school named Evergreen International School to enlighten the poor and disabled children of the society with primary education.
