Architectural Heritage Conservation 6-9

Dhaka existed for centuries before it became a Capital city 400 years ago. Its traditional architecture is reminiscent of the Mughal and Colonial periods. There are a good number of aesthetically designed buildings like forts, mosques, temples, churches, gates and large mansions.

Campus Ablaze 24

Some people are truly benefiting from this heat wave, though. The Mama in the corner selling ice creams and cold drinks is consulting us on how he can invest his income in real estate or shares as his lungi cant handle the pouring money anymore!

CUDS at St. Martin's 28

The next morning we headed for Teknaf. We booked a microbus for the journey. On the lonely road to Teknaf we felt a strange kind of lightheartedness. We stopped the bus for half an hour to take breakfast. And then we took off again. We looked at the natural beauty through the window and it satisfied both the eyes and mind.
