

Government of the People's Republic of Bangladesh National Board of Revenue

Rajshaw Bhaban, Segunbagicha, Dhaka - 1000

Modernizing the National Board of Revenue: An Exciting and Challenging Opportunity

The Government of Bangladesh is in the process of modernizing the National Board of Revenue (NBR), the revenue administration of the country, with the ongoing Modernization and Automation Project (MAP). The project is being implemented with assistance from the World Bank and primarily aims at reforming and reorganizing the structure of NBR, development of human resource management system, extensive use of ICT in revenue administration, reforms in customs, VAT, income tax, strengthening of the research and statistics wing, strengthening of training activities for revenue administration staff etc.

As a part of this Project, NBR is seeking to appoint experienced and dynamic professionals as consultants for the following positions on a contractual basis:

A. INTERNATIONAL CONSULTANTS

1. Customs Administration Expert – One position for 5 person-months

He will review the existing customs procedures and indicate their divergence with modern customs practices and establish a benchmark level of performance in key customs areas. Master's degree in Management, Public Administration, or MBA will be preferred, with 8-10 years experience of working in a modern customs administration of which at least five years should be in a Customs-related organisation in policy formulation / strategic planning.

2. Customs Valuation Expert – One position for 4 person-months

He will assist NBR and Commissioner (Customs Valuation) to establish valuation database, define the valuation function at both NBR and in the field, train people in application of valuation laws and also assist NBR in developing simplified and modern techniques of customs procedures and risk assessment for Customs. Graduation degree with 10-12 years experience of working in a modern customs administration of which at least 5 years experience in Customs valuation, assessment, clearance and risk management in managerial/ policy planning position will be preferred.

3. Policy Expert (Income Tax) – One position for 5 person-months

He will provide technical, policy, corporate planning and management support to the NBR, which will include advice on the practical application of proposed amendment to Income Tax legislation, examining and identifying weaknesses in Income Tax system, procedure and management. Master's degree in Management, Public Administration, or MBA will be preferred with 8-10 years work experience in any advanced and modern income tax department.

4. Policy Expert (VAT) – One position for 5 person-months

He will provide technical, policy, corporate planning and management support to the NBR, which will include advice on the practical application of proposed amendment to VAT legislation, examining and identifying weaknesses in VAT system, procedure and management. Master's degree; preference will be given to commerce graduates with 8-10 years work experience in any advanced and modern VAT department.

5. Consultant (R&S) – One position for 5 person-months

He will provide research support in organizing and analyzing current and historical data on direct and indirect taxes and provide computational assistance to the R&S wing of NBR for formulation of revenue macro-economic model and assist in report generation. Master's degree in Statistics, Mathematics, Economics, or MBA will be preferred and should have experience in the fields of public finance, tax analysis and information technology.

B. LOCAL CONSULTANTS

1. Modernization Coordinator – One position for 12 person-months (can be extended to 18 person-months)

He will manage, coordinate and guide implementation of the modernization program and provide support to different activities and other sub components. Will require extensive traveling within Bangladesh and perform other functions assigned. Bachelor's degree, but Master's degree in Management, Public Administration or Business Administration preferred with 8-10 years work experience in revenue administration. Experience in revenue administration reform initiatives and project implementation on modernization/ computerization preferred.

2. HRM Manager – One position for 12 person-months (can be extended to 18 person-months)

He will develop the human resource policy for NBR and its subordinate offices by conducting needs assessment for the NBR in relation to human resources, design career planning including training, placement and promotion issues for NBR officials. Graduation degree from any recognized university. Master's degree in Management, Public Administration, Commerce, or MBA will be preferred with 8-10 years work experience in revenue administration.

3. Consultant (Income Tax) – One position for 8 person-months

He will work in close liaison with the International Policy Expert (Income Tax) and assist in reviewing the existing income tax procedure and indicate their divergence with modern tax practices, assist in establishing a benchmark level of performance in key areas. Graduation degree from any recognized university. Master's degree in Management, Public Administration, Commerce or MBA will be preferred with 8-10 years work experience of working in Bangladesh Income Tax administration.

4. Consultant (Customs Administration) – One position for 12 person-months

He will work in close liaison with the International Customs Administration Expert and assist in reviewing the existing customs procedure and indicate their divergence with modern customs practice, assist in establishing a benchmark level of performance in areas. Graduation degree from any recognized university. Master's degree in Management, Public Administration, Commerce or MBA will be preferred with 8-10 years work experience of working in Bangladesh Customs administration.

5. Consultant (VAT) – One position for 8 person-months

He will work in close liaison with the International Policy Expert (VAT) and assist in reviewing the existing VAT procedure and indicate their divergence with modern VAT practice, assist in establishing a benchmark level of performance in areas. Graduation degree from any recognized university. Master's degree in Management, Public Administration, Commerce or MBA will be preferred with 8-10 years work experience of working in Bangladesh VAT administration.

6. ICT Manager – One position for 12 person-months (can be extended to 18 person-months)

He will develop a fully equipped PC-based communication facility at NBR and its field offices (Income Tax, Customs, and VAT) with appropriate interface via EDI hook-up; develop, test and implement the required software for administering the business process (from circle offices to Commissionerates and NBR) and databases in different subordinate offices and NBR; and also design, install and configure the network connecting all Commissionerates and their subordinate field offices to a central database at NBR. Minimum graduation degree in ICT or in a related field from any recognized university. Master's degree in ICT will be preferred with 8-10 years experience in system design, project implementation and management experience.

7. Programmer – Four positions for 12 person-months each (can be extended to 18 person-months each)

He will work under direct supervision of ICT Manager. At least 3-5 years experience in system design, project implementation is required. Proven practical experience in Software development using Oracle Developer and Database Management (Oracle Engine) is essential. Background in working with web based applications like ASP, net, and domain knowledge will be an added advantage. Minimum eligibility is a Bachelor's degree in ICT or in related field from any recognized university. Master's degree in ICT will be preferred.

8. Legal Expert – One position for 8 person-months

He will provide legal advisory services for litigation; provide legal advice on VAT, Customs and Income Tax matters and legal drafting to deal with the cases in the High Court and the Supreme Court and develop proposed changes in present tax, VAT and Customs law of Bangladesh in the line with proposed expected outcomes from reforms in the revenue Administration. Law graduate specialized in Income Tax, VAT and Custom law. At least 10 years experience as a practicing lawyer in the High Court and the Supreme Court;

9. Research & Statistics Expert – One position for 12 person-months

He will provide research support in organizing and analyzing current and historical data on direct and indirect Taxes, provide computational assistance to the R&S wing of NBR for formulation of revenue macro-economic model and assist in report generation. Graduation degree from any recognized university. Master's degree in Statistics, Mathematics or Economics will be preferred; should have experience in fields of public finance, tax analysis and information technology;

10. Trainer (Revenue Audit) – One position for 6 person-months

Work in close liaison with the International Training Expert (Revenue), assist in designing a work plan to improve the capability and capacity of the Customs & VAT and Income Tax Training Academy (CTA). Graduation degree from any recognized university. Master's degree in Management, Public Administration, or MBA will be preferred, 8-10 years work experience of all facets of revenue processes and procedures. Some experience as a trainer will be desirable.

11. Communication Expert – One position for 6 person-months

He will work as the public relations officer (PRO) of the project in close liaison with the international consultants, the Project Director and the Chairman, NBR. Graduation degree from any recognized university. Master's degree in Management, Public Administration, Social Science, or MBA will be preferred. Five years work experience as PRO is desirable.

For detailed job description and requisite qualification please visit the *bulletin board* of NBR website www.nbr-bd.org. Fresh applications are sought and each application must accompany a detailed Curriculum Vitae which should include, *inter alia*, employment history with duties and responsibilities, major professional achievements, current remuneration, academic details including information on any distinctions earned, major publications (if any), two references, contact address, telephone number, and email address.

Competitive compensation package, commensurate with the relevant skill and experience, will be offered to the deserving candidate.
