BAN Festival @ SUST

Nahian Khan

A festival of Business Administration was held at Shah Jalal University of Science & Technology on 29th May. It was a daylong program. In the first two sessions of the festival, seminar and workshop on career development was held in the mini auditorium. Three research papers were presented at the seminar. In the first session, Prof. Abdul Hamid presented his paper on "How to write a research paper". Right after him Prof. Mizanur Rahman presented his paper on "How to write an internship paper". Executives of Grameen Phone and British American Tobacco Company gave their speech in the first session.

In the second session Prof. Mazharul Hasan Mazumder presented a research paper on 'Internship'. After that AGM of Rupali Bank Mr. Liakat Ali Khan delivered speech about recruitment process and obstacles during the time of internship and overcoming those obstacles in banking.

Third session was a cultural session, which was arranged on the occasion of reception of the freshers, and farewell to the outgoing students of 4th batch. The cultural program was awesome where both the teachers and students performed. Prof. Hamid, Prof. Zillur and Prof. Sobhana performed from the teachers' side. Drama, comedy drama, solo songs and fashion shows were performed by the students of BBA. Most of the students of 4th batch came up on stage and danced with the vocalist Ifti (Kaiyum). After the song, outgoing students became very much emotional as they are going to leave the campus. It was really a day to remember forever for the students of Business Administration.
