Career Fair at Dhaka University

Feeda Hasan Shahed

The 31st of May was an eventful day at the Faculty of Business Studies in Dhaka University. The Department of Finance for the first time organized a Career Fair sponsored by Aktel and media partners were Channel I, The Daily Star & Radio Today FM 89.6. It was indeed a remarkable effort by the students of 9th batch of the Finance Department who worked day and night to make this dream come true.
